

April 23, 2013

Good Afternoon,

NEW ANTICIPATED START DATE MAY 1, weather permitting.

Tomorrow, April 24th, installation of the advance signage will begin.

We will share any updates as they are available.

UP-COMING MEETINGS

Stakeholder construction updates

Public Works will hold construction update meetings. These meetings are to provide an opportunity to learn what is happening with the construction and share potential issues and concerns. At this point, meetings will be scheduled for the 1st and 3rd Thursday of May and June. We may adjust the frequency of the meetings based on needs and meeting attendance.

Where: Butter Bakery Café

3700 Nicollet Ave

When: 9:00 am

Dates: May 2, May 16, June 6, June 20

The first meeting will provide an opportunity to meet and be introduced to Bob, the on-site inspector, and myself.

PROJECT CONTACTS

On-site project inspector Bob Schmidt 651-308-3805- Call Bob if you have immediate issues on the project

Project Engineer Beverly Warmka 612-673-3762- Call Bev if you have general questions regarding the project

Proposed 2013 Phasing:

May/July – Construction area – south of 36th St to just south of 38th St

August/October – Construction area – south of 38th St to 40th St

OTHER CONSTRUCTION INFORMATION

CenturyLink has begun work on rebuilding their manholes in the project area. They will soon begin work on the manhole at the intersection of 37th St and Nicollet. More information will be shared as it's available.

Minneapolis Traffic has completed the installation of temporary lighting from 36th St to 40th St.

Minneapolis Water has been working necessary valve replacements, valve replacements are still needed at the intersection of 38th and Nicollet. In mid-May they will start working on installing the temporary water line which will be needed for the water department to clean and line the existing main. The schedule for this will be shared as it's available.

Additional information will be shared as it's available.

If you have any questions regarding the project, feel free to contact me, Beverly Warmka, Project Engineer at beverly.warmka@minneapolismn.gov or 612-673-3762

Additional information regarding the project can be found on the project website at <http://www.ci.minneapolis.mn.us/cip/all/WCMS1P-102134>
