Re: Winter Street NE Reconstruction Project

Dear Minneapolis Resident\Business

Primary construction activities are moving along. 15th Ave SE has seen curb & gutter and driveway approach panels completed. Access pits for the water mains have been back filled and the safety shields removed. Storm drains have been completed on Garfield and the southern end of 14th.

The following are the planned actions for the next two weeks of work, weather permitting. The week beginning July 15th removals and storm drain work will continue on Winter St from 14th to 15th. The intersection of 14th and Winter St has extensive storm drain work. We will maintain access thru this intersection as best we can. However there may be some delays. On July 16th Storm Drain work will begin on 16th Ave SE. No Parking will be posted. This work will take 2 to 3 days.

Beginning Monday July 22nd we will begin to place concrete curb & gutter followed by driveway aprons on Garfield Ave SE. On July 23rd we will start to place asphalt paving on 15h Ave SE. Access to 15th will be **CLOSED** on July 23rd and till noon on the 24th. We are asking all vehicles to find alternate parking on those days. 14th Ave and 16th Ave will be available for parking.

Temporary traffic control will continue to be flexible and dependent on construction activities. Please review the map below for the best access and parking areas.

Additional information and updates on this project are available at the City's web site:

http://www.ci.minneapolis.mn.us/cip/all/cip_winter_index

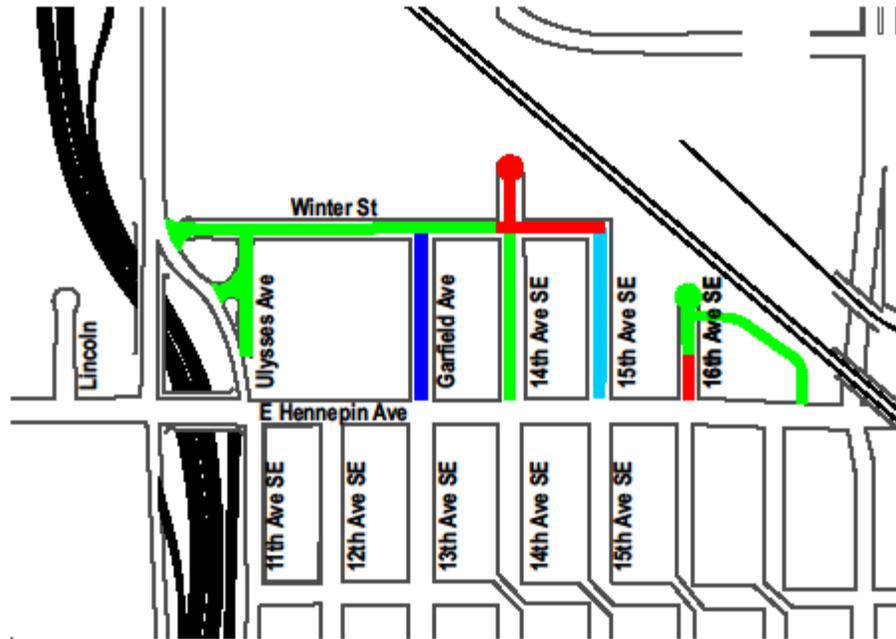

Our construction activities are likely to cause you some inconvenience, but we are hopeful that you will be patient and understanding as the work progresses. For our part, we will do our best to keep these inconveniences at a minimum. If you have any questions or concerns about this project, please call me, at 612-919-4259 or send an email to rick.kreuser@minneapolismn.gov

We hope to inconvenience you as little as possible and would like to thank you in advance for your cooperation and understanding while Winter Street NE Area is being improved.

Sincerely,

Rick Kreuser
Construction Management Coordinator

- OPEN TO THROUGH TRAFFIC
- OPEN, BUT UNDER HEAVY CONSTRUCTION
- CONCRETE CURB & GUTTER & DRIVE APRONS (7-22-13)
- ASPHALT PAVING - CLOSED (7-23-13)
