Re: Winter Street NE Reconstruction Project

Dear Minneapolis Resident\Business

Primary construction activities are moving along. 15th Ave SE is open to traffic and parking. The last 6 access pits for the water main cleaning and lining project are complete. Also curb and gutter have been completed on 14th Ave and on Winter, 14th to 15th, (south side). Driveways aprons are about 50% complete with the remaining done next week. Storm drain on Ulysses is complete.

The following are the planned actions for the next week of work, weather permitting. The week beginning August 5th removals and storm drain work will continue on Winter from Garfield to Ulysses,. Grading and class 5 placement will continue on 16th Ave and Ulysses. We hope to have curb and gutter placed on the east half of Ulysses by the end of the week.

During the week of August 5 we will start to place asphalt paving on Garfield Ave NE. Access to Garfield will be **CLOSED!** We are asking all vehicles to find alternate parking on those days. 15th Ave will be available for parking.

Temporary traffic control will continue to be flexible and dependent on construction activities. Please review the map below for the best access and parking areas.

Additional information and updates on this project are available at the City's web site:

http://www.ci.minneapolis.mn.us/cip/all/cip_winter_index

Our construction activities are likely to cause you some inconvenience, but we are hopeful that you will be patient and understanding as the work progresses. For our part, we will do our best to keep these inconveniences at a minimum. If you have any questions or concerns about this project, please call me, at 612-919-4259 or send an email to rick.kreuser@minneapolismn.gov

We hope to inconvenience you as little as possible and would like to thank you in advance for your cooperation and understanding while Winter Street NE Area is being improved.

Sincerely,

Rick Kreuser
Construction Management Coordinator
