Re: Winter Street NE Reconstruction Project

Dear Minneapolis Resident\Business:

Primary construction activities are moving along well. 14th St NE, 15th St NE, Garfield St NE and Winter St NE (14th to 15th) are open to traffic and parking. Grading and class 5 placement on Winter St is ongoing. Curb and Gutter and driveways on the north side of Winter St NE from Ulysses St NE to Garfield St NE is complete. Curb and gutter and driveways on Ulysses St NE are complete.

The following are the planned activities for the next week of work, weather permitting. For the week beginning September 16th, grading and class 5 placement work will continue on Winter St NE from Johnson St NE to Garfield St NE. Winter St NE from Johnson St NE to Ulysses St NE will be **CLOSED**, please use Ulysses St NE to access Winter St NE during this time frame.

Sidewalk and boulevard prep will continue behind all curb and gutter placed. Grading on Winter St NE will continue. Pond excavation will continue.

Temporary traffic control will continue to be flexible and dependent on construction activities. Please review the map below for the best access and parking areas.

Additional information and updates on this project are available at the City's web site:
