Dear Property Owner/Tax Payer/Resident,

The project will include full removal of the existing street, subgrade work, new pavement, curb and gutter, driveways, sidewalk (as needed), and utility work (as needed). The reconstruction will impact local parking and pedestrian paths.

The City of Minneapolis Department of Public Works will be holding the 2nd meeting regarding the proposed project. The meeting will be held at:

Prospect Park Neighborhood office
2828 University Avenue SE, Suite 200, Minneapolis 55414

The project is currently in the preliminary design phase. The purpose of this meeting is to provide an update on stakeholder input and share the proposed layout. The next step will be for Public Works to recommend the proposed layout for City Council approval.

Future public meetings may be held to provide updates on the project.
