To: Minneapolis Public Works

From: Minneapolis Pedestrian Advisory Committee

Date: February 1, 2017

Subject: February Resolutions

**Hennepin Ave Reconstruction (31<sup>st</sup> St W to W Lake St)**

The PAC strongly encourages Public Works to consider novel design approaches and uses that clearly reflect the City's Complete Streets Policy, such as closing Hennepin Avenue to vehicle traffic (with the exception of transit) between Lake and 36th, particularly between Lake and 31st.
