

# Use Only Licensed Taxicabs in Minneapolis

For your own protection, you should use only licensed taxicabs. Unlicensed taxis may be mechanically unsafe or uninsured and the drivers may not have a valid Minnesota license. You put yourself at unnecessary risk if you ride in an unlicensed taxicab.

## How Can You Tell if a Taxicab Is Licensed in Minneapolis?

Licensed in Minneapolis will have one of the following stickers on the left rear window.

**If a taxicab has a license sticker from another city, it can only drop off in Minneapolis. Picking up passengers in Minneapolis is prohibited.**
