of Ward 5 of Minneapolis!

Willard - Hay • Near North • Harrison •
Jordan • North Loop •
Sumner - Glenwood • Heritage Park

Why Spay or Neuter?

- Sterilized pets tend to live longer, healthier lives!
- Pets are less likely to stray after being fixed.
- Sterilization increases your pet's loyalty.
- Sterilization decreases the risk of dog bites.
- Fixed pets have fewer bad behavioral problems.
- Sterilization saves on vet bills.
- Spay surgery eliminates messy and annoying heat cycles.
- Spay/neuter reduces the number of pets killed in shelters.
- Breeding dogs and cats costs more than surgery to have your pet fixed.
- Spay/neuter reduces your pet's risk for some cancers and infections.
- Spay/neuter greatly reduces urine spraying and marking in cats.
- Sterilization is safer than pregnancy and giving birth to puppies or kittens.
- ***Spay/neuter reduces the overpopulation of unwanted and homeless animals.***

**All qualified pet owners from
