

Lead Safe Housing

This is a list of housing units that were lead-safe at the date indicated. This does not mean that the units listed are vacant or available at this time. Other units at a given property that are not listed here may or may not be lead-safe. The City of Minneapolis makes no warranties as to the current condition of the property. Normal deterioration or activities of the owner, tenant, or others may have created lead hazards since the lead evaluation date.
