**Background/Analysis:**

The City has a Standard Agreement, contract C-39121, with KDV Technology and Consulting Inc., to provide technical support to facilitate PCI-DSS (Payment Card Industry-Data Security Standard) compliance with the Minneapolis Convention Center (MCC) parking ramp system for payment applications connected to the internet.

This contract provides implementation and configuration, i.e. set-up change reporting hardware, configure monitoring and alerts, documentation of hardware and license inventory and purchase software and hardware applications. This also includes support services.
