

# 2nd Street Bikeway

## Bikeway Improvement Project

### Project overview

The City of Minneapolis is planning to:

- Upgrade bike lanes on 2nd St S between 2nd Ave S and 3rd Ave S in downtown Minneapolis
- Retrofit the existing facility into a two-way, curb-protected bike facility on the south side of the street to match the design of the existing bike facility east of 3rd Ave S

### Project schedule

Design

Spring 2026

Construction & Completion

Summer/Fall 2026

### Project goals

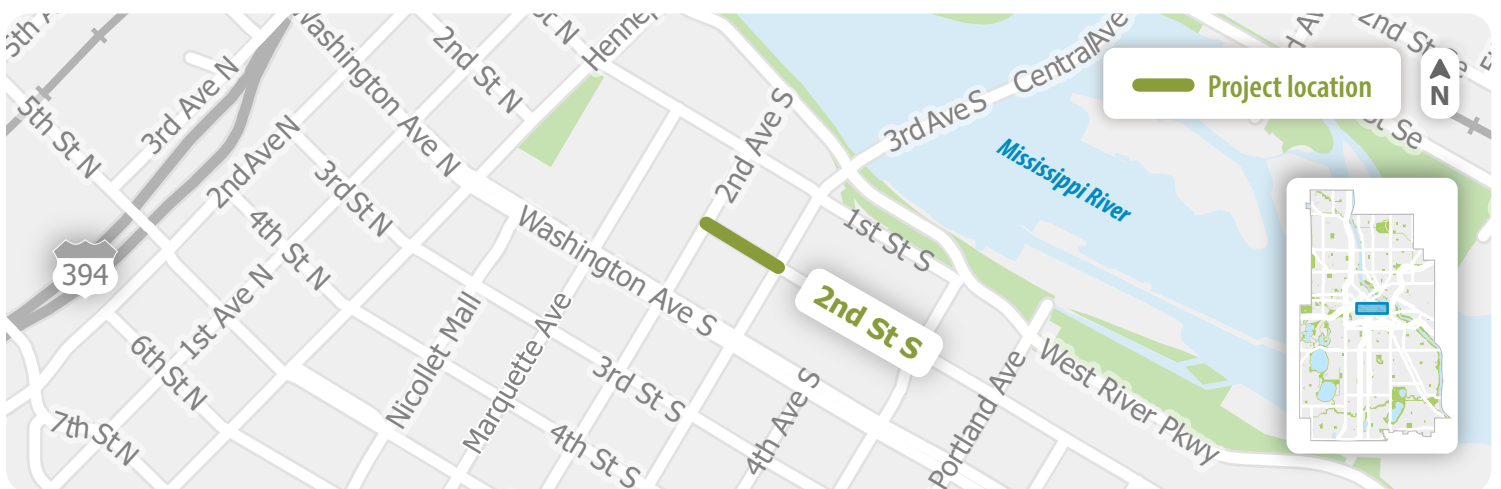

Make sure that people can walk, bike, and roll safely, easily, and comfortably

Upgrade existing bike lanes into an All Ages & Abilities (AAA) bikeway

### Existing conditions

This one block segment of 2nd St S features two travel lanes with painted bike lanes and on-street parking on both sides.

### Transportation Action Plan

This project is aligned with the Transportation Action Plan, the City's vision for safer, greener, and more modern streets that serve all people and all the ways they want to get around.
