

# 2nd Street Resurfacing and Pedestrian Safety Improvement Project

2nd Street South & 13th Avenue South

## You Are Invited!

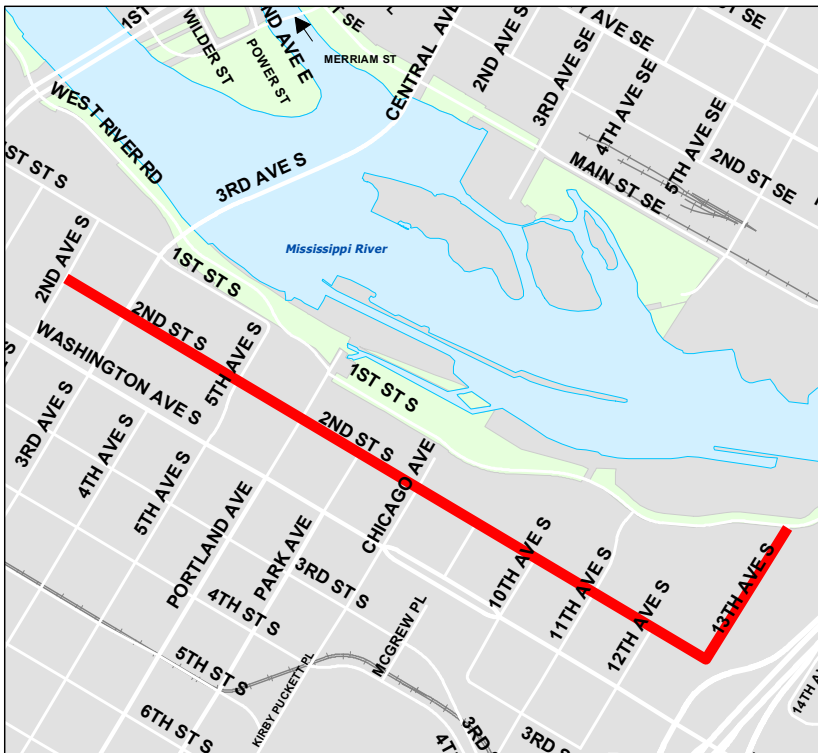

**What:** 2nd Street Open House

**Date:** Tuesday, March 21, 2023

**Time:** 4:30 – 6:30 (come any time)

**Location:** The Depot, 225 3rd Avenue S Minneapolis, MN 55401

## Project Location

## Project Information

During the summer of 2023, the City of Minneapolis Public Works is planning a street resurfacing project on 2nd Street between 13th Ave S and 2nd Ave S. As part of this maintenance project, Public Works would like to incorporate additional safety improvements to the street.

Based on the input received from the community, as well as city plans and policies, and technical feasibility, Public Works has continued to refine the proposed improvements. We plan to present the recommended design at a public meeting on Tuesday, March 21, 2023 at The Depot. We will share the input we received, explain how that input was considered, and to present the recommended plan.

## Attend the open house to learn about:

- The recommended design
- Key community input themes
- Next steps and schedule
- Share your questions and comments
- Discuss next steps
