Engagement Summary

34th Street Neighborhood Greenway | Phase 1 Engagement Summary

Minneapolis
City of Lakes

Project overview

The City is planning a neighborhood greenway along 34th St as a low-stress place to walk, bike, and roll. The project connects parks, schools, and businesses. Improvements may include a low-stress bikeway, bump outs and medians, and traffic calming.

What we've heard from you

We've reviewed feedback from the open house, online survey, and project engagement events.

- Connect to existing bicycle facilities
- Make I-35 W safer to cross
- Make the route direct
- Reduce parking and access impacts on businesses
- Address speeding and reckless driving on 35th St
- Add green space
- Make busy streets like Bloomington and Cedar Ave safer to cross
- Provide adequate protection for people riding bikes
- Improve existing traffic calming features

Next steps

Feedback will be used to develop draft designs that will be shared in the next phase of engagement.
