

# 4<sup>TH</sup> STREET reconstruction project

## Construction Update Vol. 47 | Mar 25, 2022

### WHAT IS HAPPENING

- Utility work has begun, starting with Xcel Energy working on a utility vault at the NW corner of 1st Ave. N and Hennepin Ave. Xcel Energy will be staging and occupying lanes between 1st Ave. N and Hennepin Ave. This work is anticipated to be complete before roadway reconstruction resumes.
- Roadway reconstruction between Hennepin Ave. and 4th Ave. S is substantially complete. Crews will be returning in these blocks to review past work, make any necessary repairs and complete final restoration work.
- Beginning in May, Xcel Energy will be completing vault work in the sidewalk area on 4th St. between 3rd Ave. S and 4th Ave. S in front of City Hall.
- Removal and reconstruction of 4th St. between 2nd Ave. N and Hennepin Ave. will begin on April 11, weather permitting. During reconstruction, the roadway will be closed to all vehicle traffic between 1st Ave. N and Hennepin Ave. No local vehicle access will be maintained on this block.
- The roadway between 2nd Ave. N and 1st Ave N will be reconstructed one half at a time, starting with the north half, and will be closed to through traffic. Local vehicle access will be maintained.

### WHAT TO EXPECT

- During roadway construction, 4th St. will be closed to through traffic between 2nd Ave. N and Hennepin Ave. Local access to driveways will be maintained between 2nd Ave. N and 1st Ave. N.
- Pedestrian access will be maintained on the roadway throughout construction. Be aware of your surroundings when walking on the sidewalk and biking in the roadway.
- Expect additional noise, dust, and vibration as crews complete work.
