

53rd Ave N Bikeway

Penn Ave N to Lyndale Ave N

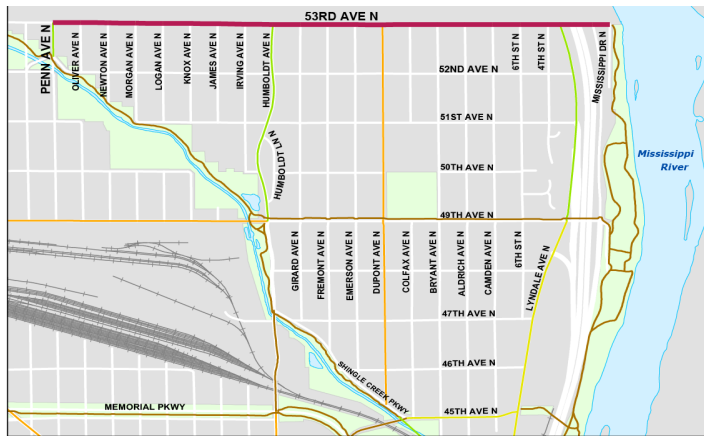

Project Background

In 2022, the Minneapolis Public Works Department plans to resurface 1.2 miles of 53rd Ave N from Penn Ave N to Lyndale Ave N in coordination with the City of Brooklyn Center. The resurfacing project provides an opportunity to implement a connector bikeway on this segment of 53rd Ave N, as identified in the All Ages and Abilities Network in the City's 10-year [Transportation Action Plan](#).

In 2021, the following work will be completed between the cities of Minneapolis and Brooklyn Center along 53rd Ave N:

- Installation of ADA compliant pedestrian ramps on both sides of 53rd Ave N
- Select curb and gutter improvements
- Sanitary sewer repairs in both cities

Project Area

Average Number of Daily Users

Mode	Average Number of Daily Users
Pedestrian	n/a
Bicycle	n/a
Bus	18 ¹
Motor Vehicle	2,100-5,300 ²

Existing Conditions

53rd Ave N at Humboldt Ave N (November 2020)

Project Goals

The goals of this bikeway project include:

- Enhance comfort and improve predictability for all users
- Support existing and future bicycle demand
- Improve bicycle network connectivity and access to destinations
- Reduce vehicular travel speeds

Project Schedule

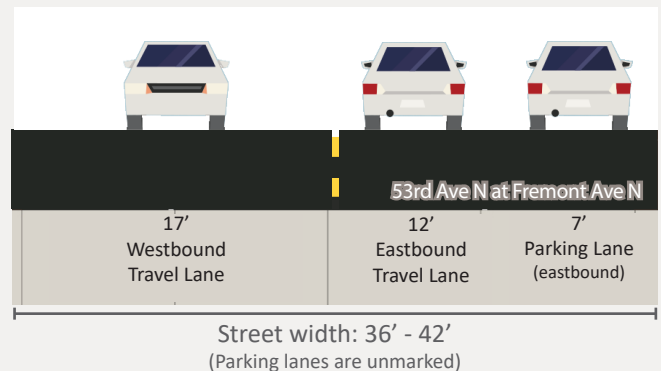

- April-May 2021: Public Works will collect corridor data, complete a parking study, and initiate a community engagement process for the bikeway.
- June - November 2021: Public Works will develop a layout concept for a bikeway on the corridor.
- December 2021: Public Works to provide a design recommendation and final layout for the bikeway.
- Summer 2022: Anticipated implementation of the bikeway.
