LABOR AGREEMENT

Between

CITY OF MINNEAPOLIS

and

INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS,

LOCAL NO. 292, AFL-CIO

THIS AGREEMENT, hereinafter referred to as the *Labor Agreement* or the *Agreement*, is made and has been entered into effective the 1st day of January, 2026 by and between the City of Minneapolis, the *Employer*, and the International Brotherhood of Electrical Workers, Local No. 292, AFL-CIO, the *Union*. The Employer and the Union, the *Parties*, agree to be bound by the following terms and provisions:

ARTICLE 1

RECOGNITION AND UNION SECURITY

Section 1.01 - Recognition and Amendments to Unit

Subd. 1. Recognition

The Employer recognizes the Union as the sole and exclusive certified collective bargaining representative of all employees whose job classifications and rates of pay are set forth in Appendix "A" of this Agreement, except those who are Supervisors and Confidential employees within the meaning of the *Minnesota Public Employment Labor Relations Act*, as amended, those who are otherwise excluded by the Act, and all other employees.

Subd. 2. Amendment to Certified Unit

Disputes which arise between the Employer and the Union over the inclusion or exclusion of any job classifications may be referred by either Party to the Commissioner, Bureau of Mediation Services, State of Minnesota, for determination in accordance with applicable statutory provisions. Determination by the Commissioner shall be subject to such review and determination as is provided by statute and such rules and regulations as are promulgated there under. In the event the Employer has established a new job classification which is added to the bargaining unit by agreement between the Parties or by determination of the Commissioner, Bureau of Mediation Services, State of Minnesota, the Parties agree to negotiate with one another concerning wages and such other terms and conditions of employment as may be

applicable to the position and which are not covered by this Agreement. However, it is agreed that all other terms and provisions of the Agreement shall apply to the new job classification.

Section 1.02 - Union Dues Check-Off

Subd. 1. Union Dues Payroll Deductions

In recognition of the Union as the exclusive representative, the Employer shall deduct an amount sufficient to provide the payment of the regular monthly Union membership dues uniformly established by the Union from the wages of all employees who have authorized, in writing, such deduction on a form designated and furnished by the Union. The Union shall certify to the Employer, in writing, the current amount of regular monthly membership dues which it has uniformly established for all members. Such deductions shall be cancelled by the Employer upon a written request made by the involved employee to the Union with a copy to the appropriate departmental payroll office.

Subd. 2. Time of Deductions

The Employer shall deduct Union dues each payroll period. In the event an employee covered by the provisions of this section has insufficient pay due to cover the required deduction, the Employer shall have no further obligations to effect subsequent deductions for the involved payroll period.

Subd. 3. Remittance

The Employer shall remit such membership dues made pursuant to the provisions of this section to the appropriate designated officer of the Union by the 15TH of the month following the month of the date of the deduction along with a list of the names of the employees from whose wages deductions were made and not made.

Subd. 4. General Administration

The following shall be applicable to the administration of the provisions of this section:

- a. All certifications from the Union as to the amounts of deductions to be made as well as notifications by the Union and/or bargaining unit employees as to changes in deductions must be received by the Employer at least fourteen (14) calendar days in advance of the date upon which the deduction is scheduled to be made in order for any change to be effected.
- b. The Employer shall, upon the request of the Union, but no more frequently than once each calendar quarter, provide the Union with a report showing the names of those employees in the bargaining unit along with their classifications and department locations, mailing addresses of record, Union Code, current rates of pay, and classification/City seniority.
- c. When an employee on the dues deduction transfers from one work location within the bargaining unit to another, the deduction of dues shall not be terminated except as directed by the involved employee.
- d. No other employee organization shall be granted payroll deduction of dues for employees

covered by the Agreement without the express written permission of the Union.

Subd. 5. Hold Harmless

The Union agrees to indemnify, defend and hold the Employer, its officers, agents and employees harmless against any and all claims, suits, orders or judgments brought or issued against the Employer, its officers, agents and employees as a result of any action taken or not taken in compliance with the specific provisions of this section or which are taken or not taken at the request of the Union.

Section 1.03 - Exclusive Representation

The Employer shall not enter into any agreements with the employees covered by this Agreement either individually or collectively or with any other employee organization which in any way conflicts with the terms and provisions of this Agreement. Further, the Employer shall meet and negotiate, pursue the resolution of grievances and conduct arbitration proceedings only with the properly designated representative(s) of the Union.

Section 1.04 - Union Stewards

The Union may designate certain bargaining unit employees to act as stewards and shall certify to the Employer, in writing, their names, along with the names of business representatives and/or officers of the Union who shall be authorized by the Union to investigate and present grievances. The Employer agrees to recognize such representatives, subject to the following:

Subd. 1. Number of Stewards

A shop steward shall be appointed by the Union on each shift for each of the Employer's principle work areas from among the Union members who work under this Agreement.

Subd. 2. Activities of Stewards

Designated and certified stewards shall be granted reasonable time off, with pay, in order to investigate and/or present grievances to the Employer during their normal working hours. Such stewards, however, shall not leave their work stations without first obtaining the permission of their immediate supervisor and shall notify their immediate supervisor upon returning to work. The permission of the supervisor shall not be denied without good cause. When the steward and the business manager or their appointed officer agree that it is beneficial to have an officer of the Union participate in such presentation and/or investigation, such officer shall also be authorized time off with pay for this purpose. Stewards and other representatives of the Union shall not interfere in any way with the Employer's operation or with the performance of work by its employees. Nothing in this paragraph, however, shall be construed to limit the proper presentation of grievances provided for by this subdivision.

Section 1.05 - Visitation

With notice to an available supervisor at a worksite, non-employee representatives of the Union who have been certified to the Employer may come on the worksite for the purpose of investigating and presenting grievances. The Union agrees there shall be no solicitation for membership, signing up of members,

collection of initiation fees, dues, fines or assessments, meetings or other Union activities on the Employer's time by such non-employee representatives, the Union's stewards or any officers of the Union.

Section 1.06 - Bulletin Boards

The Employer shall provide for the Union's use, reasonable space on designated bulletin boards for the purpose of posting official Union notices. Each posted notice shall bear the signature of the Union representative who has posted the notice and the date of the posting. Such person shall be required to remove the notice once it has served its purpose. The Union shall not post material of a political nature.

Section 1.07 - Union Membership

Employees have the right to join or to refrain from joining the Union. Neither the Employer nor the Union nor any of their respective agents or representatives shall discriminate against or interfere with the rights of employees to become or not become members of the Union, and further there shall be no discrimination or coercion against any employee because of Union membership or non-membership. The Union shall, in its responsibility as exclusive representative of the employees, represent all bargaining unit employees without discrimination, interference, restraint, or coercion.

ARTICLE 2
MANAGEMENT RIGHTS

The Union recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority which the Employer has not officially abridged, delegated or modified by the express terms and provisions of this Agreement are retained by the Employer.

ARTICLE 3
NO STRIKE - NO LOCKOUT

Section 3.01 - No Strike

The Union, its officers or agents, or any of the employees covered by this Agreement shall not cause, instigate, encourage, condone, engage in, or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment during the term of this Agreement.

Section 3.02 - No Lockout

The Employer agrees that neither it, its officers, agents nor representatives, individually or collectively, will authorize, institute or condone any lockout of employees during the term of this Agreement.

Section 3.03 - Violations by Employees

Any employee who violates any provision of this article may be subject to disciplinary action, including discharge.

ARTICLE 4 **SETTLEMENT OF DISPUTES**

Section 4.01 - Scope

This article shall apply to all members of the bargaining unit.

Section 4.02 - Letter of Inquiry

Any employee may file a “letter of inquiry” which requests information on salary, working conditions and/or benefits, related to a grievance. Such “letter of inquiry” is available from the business agent or steward. The business agent shall process the letter of inquiry. Where the business agent believes it necessary, they may request in writing from the Director, Labor Relations information to enable a response to the inquiry. The information requested shall normally be provided by the Director, Labor Relations within ten (10) calendar days of receipt of the request. In the event the information request is delayed, the Director of Labor Relations shall provide a reasonable timeline of when the request will be completed. The business agent will respond to the member.

Section 4.03 - Informal Problem Resolution

From time to time, violations relating to the application of this Agreement may arise. Many of these violations can be resolved informally. An alleged violation that cannot be resolved informally is called a grievance.

Section 4.04 - Definition, Timelines and Form

A grievance is any specific dispute arising between the employee(s) covered by this Agreement and the Employer concerning, and limited to, the proper interpretation or application of the express terms and provisions of this Agreement. Grievances shall be resolved in the manner outlined in this article.

Subd. 1. Time Limits

Time limits, as specified in the grievance procedure, may be extended by written mutual agreement of the parties. The failure of the City to comply with any time limit herein means that the Union may automatically process the grievance to the next step of the grievance procedure. Failure of the Union or its employees to comply with any time limit herein renders the alleged violation untimely and no longer subject to the grievance procedure.

Subd. 2. Commencement of Grievance

A grievance must be commenced at step one no later than twenty-one (21) days from the discovery of the grievable event(s) or fourteen (14) days from when the event(s) reasonably should have been discovered, whichever is later. Unless otherwise expressed, days shall mean calendar days.

Subd. 3. Grievance Forms

Forms for the grievance procedure will be developed jointly.

Subd. 4. Cooperation

The City will cooperate with the Union to expedite the grievance procedure to the maximum extent practical.

Section 4.05 - Step One (Immediate Supervisor)

An employee shall inform the immediate supervisor of the grievance in writing on the standard grievance form.

If an employee representative expressly requests a discussion with the immediate supervisor concerning the written grievance, such discussion shall take place within seven (7) days after filing the grievance unless the time is mutually extended. The discussion with the immediate supervisor shall be held with one of the following:

The employee accompanied by a Union representative;

The Union representative alone if the employee so requests.

Within ten (10) days after the grievance is filed or the discussion meeting concludes, whichever is later, the immediate supervisor shall state their decision, in writing, together with the supporting reasons, and shall furnish one (1) copy to the employee who filed the grievance, one (1) copy to the business agent, and one (1) copy to the Director, Labor Relations. Each step one decision shall be clearly identified as a "step one decision."

Section 4.06 - Step Two (Department Head)

If the step one decision is not satisfactory, a written appeal may be filed by the Union with the department head within ten (10) days of the date of the step one decision. A copy of the appeal shall be sent to the Director, Labor Relations.

Upon request of either party, all persons who participated at step one, or all necessary persons shall have a reasonable opportunity to be heard at step two. If a meeting is requested by the Union, the department head shall schedule a meeting. Notification of at least three (3) days shall be given to the Union.

Within twenty-one (21) days after the meeting or the receipt of the appeal, whichever is later, the department head shall present a written decision to the Union. The step two decision shall clearly identify

that answer as a “step two decision.”

Section 4.07 - Step Three (Chief Human Resources Officer or Designee)

If the step two decision is not satisfactory, a written appeal may be filed by the Union to the Chief Human Resources Officer or designee within fourteen (14) days of the date of the step two decision. Upon request of the Union, a meeting shall be held between the Chief Human Resources Officer, or designee, and a representative of the Union. The meeting shall be scheduled by the Chief Human Resources Officer, or designee, and held within twenty-one (21) days after receipt of the written appeal.

The Chief Human Resources Officer, or designee, shall have the full authority of the Mayor and the City Council to resolve the grievance.

Within twenty-one (21) days after the step three meeting or receipt of the step three appeal, whichever is later, the Chief Human Resources Officer or designee shall send a written response to the Union. The step three decision shall clearly identify that answer as a “step three decision.”

Section 4.08 - Step Four (Regular Arbitration)

Within seven (7) days of the date of the step three decision the Union shall have the right to submit the matter to arbitration by informing the Chief Human Resources Officer or designee that the matter is to be arbitrated. Thereafter, the Parties shall attempt to have the grievance resolved in a timely manner. When a party has the burden of production, any period of inactivity greater than thirty (30) days shall result in the matter becoming untimely. The defaulting party shall be solely responsible for the arbitrator’s fee, if any.

If the matter is to be arbitrated, a single arbitrator shall be selected from the panel of mutually agreed upon arbitrators. The Arbitrator shall be selected on an alphabetical, rotational basis with each Party having the right to exercise one strike. If the Arbitrator is stricken, they will retain their position in the order. Either party may request an annual review of the panel at which time a new panel may be selected.

Within thirty (30) days following the close of the hearing or the submission of briefs by the parties, the arbitrator shall render a written decision based upon the facts presented and provide the reasons for the determination. The decision shall resolve the grievance and order any appropriate relief. The decision and award of the arbitrator shall be final and binding upon the Employer, the Union and the employee (s) affected.

The arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this agreement.

The arbitrator is also prohibited from making any decision that is contrary to law or to public policy.

Subd. 1. Pay During Proceeding

One representative of the Union, the Grievant and all necessary employee witnesses shall receive their regular salary and wages for the time spent in the arbitration proceeding if such proceeding is held during regular work hours.

Section 4.09 - Expedited Arbitration (optional)

The Union and the Employer may mutually agree to expedited arbitration. Upon such agreement, the Union and the Employer will make immediate (within twenty-four (24) hours) arrangements with the Bureau of Mediation Services for the expedited arbitration procedure and such procedure shall begin as soon as the Bureau can initiate a hearing. It shall be the specific request of both the Union and the Employer to have a decision within fourteen (14) days of the hearing, and that no briefs will be filed.

Section 4.10 - Mediation (optional)

The Parties may, by mutual agreement, utilize the grievance mediation process in an attempt to resolve a grievance before going to arbitration.

The objective of mediation is to find a mutually satisfactory resolution to the dispute. The parties shall mutually choose a mediator or have a mediator assigned by the Bureau of Mediation Services.

Subd. 1. General Provisions

Arbitration time frames shall be tolled during the mediation procedure; however, there shall be no additional extensions without written mutual agreement.

Grievances that have been appealed to arbitration may be referred to mediation if both the Parties agree.

Mediation conferences shall be scheduled in the order in which the grievance is appealed to mediation with the exception of suspension or discharge grievances, which shall have priority.

Promptly after both parties have agreed to mediate, the parties shall notify the Bureau of Mediation Services. The Bureau of Mediation Services shall arrange for the conference.

The mediation proceedings shall be informal in nature and the goal will be to mediate up to three (3) grievances per day.

Each party shall have one (1) principal spokesperson that will have the authority to agree upon a remedy of the grievance at the mediation conference.

One (1) Grievant will have the right to be present for each grievance.

The issue mediated will be the same as the issue the parties have failed to resolve through the grievance process. The rules of evidence will not apply, and no transcript of the mediation conference shall be made.

The mediator may meet separately with the parties during the mediation conference. The mediator will not have the authority to compel the resolution of a grievance.

Written material presented to the mediator or to the other party shall be returned to the party presenting the material at the termination of the mediation conference, except that the mediator may retain

on (1) copy of the written grievance to be used solely for the purposes of statistical analysis.

If no settlement is reached during the mediation conference, the mediator may provide the parties with an immediate oral advisory opinion if requested by either or both parties. The opinion will involve the interpretation or application of the collective bargaining agreement and the reasons for the mediator's opinion. The parties may agree that no opinion shall be provided.

The advisory opinion of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree.

If no settlement is reached as a result of the mediation conference, the grievance may be scheduled for arbitration in accordance with Section 4.08.

In the event a grievance that has been mediated is subsequently arbitrated, no person who served as the mediator may serve as the arbitrator. In the arbitration hearing, no reference to the mediator's advice or ruling may be entered as testimony nor may either party advise the arbitrator of the mediator's advice or ruling or refer at arbitration to any admissions or offers of settlement made by the other party at mediation.

By agreeing to schedule a mediation conference, the Employer does not acknowledge that the case is properly subject to arbitration and reserves the right to raise this issue notwithstanding its agreement to schedule such a conference.

The fees and expenses of the mediator and mediation office, if any, shall be shared equally by the Parties.

Subd. 2. Pay During Proceeding

One representative of the Union, and all necessary employee witnesses shall receive their regular salaries or wages for the time spent in the grievance mediation proceeding, if such proceeding is held during regular working hours.

Section 4.11 - Election of Remedy

The parties acknowledge that the facts and circumstances which form the basis of a grievance may also form the basis of claims which may be asserted by an individual employee in other forums. The purpose of this section is to establish limitations on the right of the Union to pursue a grievance in such situations.

Subd. 1. Civil Service Rights.

When the subject matter of a grievance to which Article 4, Settlement of Disputes applies is also within the jurisdiction of the Minneapolis Civil Service Commission, the resolution of the dispute may proceed through the grievance procedure or the Civil Service appeals procedure. However, once the employee files an appeal to the Civil Service Commission, the Union's right to pursue a grievance under Article 4 is terminated.

Notwithstanding anything in the Civil Service Rules to the contrary, an employee's right to file an appeal with the Civil Service Commission expires on the later of : ten (10) days after the deadline for the Union to file a grievance under this Article; or ten (10) days after the employee has notice from the Union of its final decision not to file pursue a grievance. The Union shall provide notice to the City of such decision promptly after providing notice to the employee.

Subd. 2. Rights of Veterans.

Some employees covered by the Agreement may have individual rights to contest a removal from position or employment under Minn Stat. 197.46. Once an employee requests a hearing under Minn. Stat. 197.46, the Union's right to pursue a grievance under this Article is terminated.

Subd. 3. Other Rights of Employees.

No action by the Union under this Agreement shall prevent an employee from pursuing a charge of discrimination brought under Title VII, The Americans with Disabilities Act, the Age Discrimination in Employment Act, the Equal Pay Act.

ARTICLE 5
EMPLOYEE PERFORMANCE MANAGEMENT AND DISCIPLINE

Section 5.01 - Coaching and Development

Coaching should ordinarily take place in a private conversation between the supervisor and employee. Coaching may be documented. The supervisor may also develop a performance improvement plan, following the guidelines and procedures developed by the Human Resources Department. The supervisor may schedule follow-up meetings as needed. Coaching may be used in performance reviews but may not be used for progressive discipline, although it may be used as evidence that the employee was put on notice of work rules and expectations. Corrective action and performance management tools (e.g. training, coaching, performance improvement plans, performance reviews, letters of expectation, etc.) are not disciplinary and are part of the City's management rights under Minn. Stat. § 179A.07
Subd. 1. Coaching shall not be subject to the grievance process.

Section 5.02 - Progressive Discipline

Disciplinary action shall normally include only the following measures and, depending upon the seriousness of the offense and other relevant factors, shall normally be administered progressively in the following order:

Subd. 1. Reprimands, either oral or written;

Subd. 2. Suspension from duty without pay;

Subd. 3. Demotion in position and/or pay or discharge from employment.

If the Employer has reason to reprimand an employee, it shall normally not be done in the presence of other employees or the public.

Section 5.03 - Discharge Due Process

Whenever possible and practical, such opportunities shall be provided in a conference with the Employer which shall be conducted after advance notice to the employee and their Union representative who shall be permitted to attend the conference. If a conference is to be conducted, the involved employee(s) shall remain in pay status until the conference has been completed.

Section 5.04 - Appeals

Disciplinary actions within the meaning of this article, excluding oral reprimands, imposed upon an employee who has completed the initial probationary period, may be appealed through the grievance procedure outlined elsewhere in this Agreement. Grievances filed concerning suspensions, demotions and/or discharges may be initiated at Step 2 of such procedure. Such matters shall be handled in accordance with the provisions of the grievance procedure; and, if necessary, through the arbitration procedure.

Section 5.05 - Disciplinary Action Records

A written record of all disciplinary actions within the meaning of this article, excluding oral reprimands, shall be provided to the involved employee(s) and may be entered into the employee's personnel record. Investigations into conduct which do not result in disciplinary action, however, shall not be entered into the employee's personnel record. When a disciplinary action more severe than a written reprimand is imposed, the Employer shall notify the employee in writing of the specific reason(s) for such action at the time such action is taken and provide the Union with an informational copy. Written reprimands shall not be relied upon to form the basis for further disciplinary action after two (2) years following the date of the written reprimand.

Section 5.06 - Disciplined Employee's Response

Any employee who is disciplined by written reprimand, suspension, demotion or discharge (and/or such employee's Union representative) shall be entitled to have a written response, if any, included in their personnel record, if filed with the Employer within twenty (20) calendar days of the issuance thereof.

Section 5.07 - Union Representation

All employees shall have the right to request Union representation at any conference concerning a grievance, investigation or a complaint involving performance or employment status of the employee.

ARTICLE 7

The provisions herein shall become effective upon ratification of this Agreement and shall be applicable to all Job Postings conducted for the purpose of filling vacant bargaining unit positions.

Section 7.02 - Job Postings and Applications

Subd. 1. Job Postings

Job Postings, when offered, shall be posted for a period of not less than ten (10) calendar days. The Job Posting shall set forth the title, salary, nature of work to be performed, minimum qualifications, the place and manner of making applications and the closing date applications will be received. The Employer may establish a definite or an indefinite closing date for the filing of applications. If the Employer has established an indefinite closing date, it must notify employees of any fixed closing date, later determined, by a posting adjacent to the originally posted Job Posting. Job Postings for newly created positions and/or for positions for which the title, salary, nature of work to be performed and/or minimum qualifications are materially different from the Job Posting previously used, shall not be finalized by the Employer until the affected Union representative has had an opportunity to review the proposed Job Posting and provide the Union's input into the Job Posting development process. A copy of the Job Posting in its final form shall be furnished to the Union.

Subd. 2. Stated Qualifications

The minimum qualifications set forth in the Job Posting shall be related to the job duties of the involved position and shall include applicable education, training, experience, skills and abilities required. Such minimum qualifications shall not, however, include artificial and/or irrelevant time-in-grade, promotional line and/or grade level requirements.

Subd. 3. Application for Promotion

Employees who have successfully completed their initial probationary period may make application for any Job Posting provided they meet the minimum, stated qualifications for the involved position; provided, however, that employees who have failed a promotional probationary period in a classification shall not be permitted to take an examination for promotion to that classification within twelve (12) months of the date of such failure.

Subd. 4. External Job Postings

The Employer may, in its discretion, conduct External Job Postings. The Employer may advertise an external position internally and externally simultaneously. For purposes of this article, applicants from

Subd. 2. Examination Scores

One hundred percent (100%) of the total examination score shall be based upon the results of each applicant's test score(s). Such tests shall be developed by the Employer and may consist of more than one component.

Section 7.04 - Requisition Lists

Subd. 1. Passing Score

Each applicant whose 1) total examination score, and 2) test score(s) equals or exceeds seventy (70) points, shall be considered to have passed the examination.

Subd. 2. Eligibles - Requisition Lists

The names of those applicants who have passed an examination shall be placed on a Requisition List in descending order of their total examination scores in addition to any Veteran's Preference points, if applicable. In the event two or more eligibles hold identical total examination scores, their names shall be placed on the Requisition List in random order; however, the names of Veterans shall always be placed over the names of non-Veterans who hold identical scores.

Subd. 3. List Expiration

The Staffing Division of the Human Resources Department shall inform applicants of the length of their eligibility by stating it on the Job Posting and/or by letter.

Section 7.05 - Selection of Certified Eligibles

Any or all of the eligibles on a requisition list may be certified to the appointing authority for selection. In the event an external job posting is conducted, at least the top three internal applicants who pass the exam shall be certified for interview. Section 7.06 - Probationary Periods

An eligible selected to fill a vacant position shall serve an initial or promotional probationary period as applicable. All initial probationary periods shall be twelve (12) months in duration and all promotional probationary periods shall be six (6) months in duration provided that probationary periods may be extended for up to one additional six (6) month periods, with meet and confer with the Union. A probationary employee may be removed from the position at the discretion of the appointing authority. Such removal shall not be subject to the grievance/arbitration provisions of this Agreement. Removal during an employee's initial probationary period shall result in termination of employment. An employee removed during a promotional probationary period, however, shall have the right to return to a vacant position in their previous classification, or, if none is available to their previous position. For purposes of this section, twelve months shall be deemed to be two thousand and eighty (2080) hours of work and six (6) months shall be deemed to be one thousand forty-four (1044) hours of work. Time spent in temporary duty in the position immediately preceding the appointment shall count towards satisfaction of the probationary period, benefits eligibility (without retroactivity) and pay progression requirements.

Section 7.07 - Position Audit and Class Maintenance Studies

Subd. 1. Position Audit

Unless otherwise ordered by a court of competent jurisdiction, employees who believe that their individual position has changed due to gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed, may request that their position be audited to assure proper classification. To request a position audit, the employee must submit a Job Analysis Questionnaire on the form provided by the Human Resources Department. The employee will complete the questionnaire and submit it to their supervisor for review, comments and signature. The supervisor will forward it to the department head for similar action. The department head will forward the completed and signed questionnaire to the Human Resources Department. If the supervisor fails to act upon the request within 30 calendar days, the employee may forward the request to the department head with another copy provided to the supervisor. If the department head fails to respond within 30 calendar days after receiving the questionnaire, the employee may document the department's failure to provide a timely response, and may then submit the study request directly to the Human Resources Department. Requests for study of an employee's individual position may be submitted no more than once every 24 calendar months, unless the Parties agree that substantial changes have occurred in the position justifying the need for a new audit.

If the audit results in a reclassification of the individual position no vacancy shall be deemed to have been created. Upon reclassification, to a position providing a higher maximum salary, the incumbent employee shall be appointed to the reclassified position and the incumbent employee's pay shall be determined in accordance with Section 9.03, Subd. 1 of this Agreement. The effective date of the reclassification for pay and seniority purposes shall be the date upon which the involved employee submitted a completed request for reclassification to the Employer's Human Resources Department with a copy to the involved Department Head. The provisions of this section shall apply only to the incumbent employee who has been permanently certified to the involved position.

When a position is reclassified as a result of gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed in a position to a classification providing a lower

maximum salary, the involved incumbent employee may request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 ("Layoff and Recall from Layoff") shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employee's pay shall be frozen until such time as the salary for the new classification is the same or greater than the salary as frozen, at which point the salary schedule for the classification shall govern future changes.

Subd. 2. Class Maintenance Study

The Employer may initiate class maintenance studies related to a specific class or a group of positions within a department/division to maintain the integrity of the Employer's classification system. The Employer will consider requests by the Union to initiate such studies. The format of these studies may include an informal survey or an in-depth study of changes in the kind, responsibility, or difficulty of work performed since the classification was last studied at the discretion of the Human Resources Department. Individuals in a studied class may not request a position study while the Maintenance Study is in progress. If the study is not completed within 120 days, the employee may request an individual position audit using the previously stated process and time frames for job audits.

If a class or group of positions is/are reclassified pursuant to a class maintenance study to a class providing a higher maximum salary, no vacancy shall be deemed to have been created. Upon reclassification, the incumbent employees shall be appointed to the reclassified position and the incumbent employees' pay shall be determined in accordance with Section 9.03, Subd. 1. of this Agreement. The effective date of the reclassification for pay purposes shall be no later than January 1st of the calendar year following completion of the study. Incumbent employees shall maintain the classification seniority date of their previous classification as the classification seniority date of the new classification. The provisions of this section shall apply only to the incumbent employees who have been permanently certified to the involved positions.

When a class or group of positions is/are reclassified pursuant to a Maintenance Study to a class providing a lower maximum salary, the involved incumbent employee may request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 ("Layoff and Recall from Layoff") shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employee's pay shall be frozen until such time as the salary for the new classification is the same or greater than the salary as frozen, at which point the salary schedule for the classification shall govern future changes.

The Human Resources Department will develop an initial schedule of class maintenance studies in conjunction with the Union that provides that each class will be reviewed within six (6) calendar years from the date of execution of this Agreement. Thereafter, Human Resources will develop an on-going schedule of class maintenance studies that provides for a maintenance study on a rotating basis at least once every four (4) calendar years. Such studies may be done more frequently as needed to maintain the integrity of the classification system.

Section 7.08 - Permits and Details

The Employer may select employees for temporary duty in other classifications and/or positions (*details*) and/or utilize temporary employees (*permits*) for periods not to exceed the length of an incumbent employee's absence or six (6) consecutive calendar months, whichever is longer. Such limitations shall not be exceeded except by the express written mutual agreement between the Parties.

ARTICLE 8 **LAYOFF AND RECALL FROM LAYOFF**

Section 8.01 - Layoffs and Bumping

Whenever any permanent position is to be abolished or it becomes necessary because of lack of funds, lack of work to reduce the number of employees in the classified service in any department, the department head shall immediately report such pending layoffs to the City Coordinator or designated representative. The status of involved employees shall be determined by the following provisions and the involved employees will be notified.

Subd. 1. General Order of Layoff

Within the affected classification, layoffs shall be made in the following manner:

- a. Permit employees shall be first laid off;
- b. Temporary employees (those certified to temporary positions) shall next be laid off;
- c. Persons appointed to permanent positions shall then be laid off.

Subd. 2. Layoff Based on Classification Seniority

The employee first laid off shall be the employee who has the least amount of classification seniority in the classification in which reductions are to be made. Provided, however, employees retained must be deemed qualified to perform the required work and employees who possess unique skills or qualifications which would otherwise be denied the Employer may be retained regardless of their relative seniority standing. The temporary release of a *permanent intermittent* employee (i.e., one who is regularly employed on a seasonal, periodic or other recurring basis during the year) shall not be regarded as a *layoff* within the meaning of this article.

Subd. 3. Bumping

Employees who are laid off shall have their names placed on a layoff list for their classification. Such employees who have at least two (2) years of City seniority shall have the right to displace (*bump*) the employee of lesser City seniority who was last certified to progressively lower paid classification(s) previously held permanently (i.e., one in which the probationary period was satisfactorily completed) by the laid off employee and in which job performance was deemed by the Employer to be satisfactory which

is lower than the original classification of the laid off employee. In all cases, however, the bumping employee must meet the current minimum qualifications of the claimed position and must be qualified to perform the required work.

Section 8.02 - Notice of Layoff

The Employer shall make every reasonable effort under the circumstances to provide affected employees with at least fourteen (14) calendar days' notice prior to the contemplated effective date of a layoff.

Section 8.03 - Recall From Layoff

An employee in the classified service who has been laid off may be reemployed without examination in a vacant position of the same class within three (3) years of the effective date of the layoff. Failure to receive an appointment within three (3) years will result in the eligible's name being removed from the list.

Section 8.04 - Application and Scope

For purposes of this article, bargaining unit employees may displace (*bump*) non-bargaining unit employees. Further, non-bargaining unit employees shall be permitted to displace bargaining unit employees. Specifically, the provisions of this article respecting layoff, bumping and recall, shall be applicable to those employees excluded from the bargaining unit by virtue of their supervisory or confidential status.

Section 8.05 - Exceptions

The following exceptions may be observed:

Subd. 1. Mutual Agreement

If the Employer and the Union agree upon a basis for layoff and reemployment in a certain position or group of positions and such agreement is approved by the City Coordinator or designated representative, employees will be laid off and reemployed upon that basis.

Subd. 2. Emergency Retention

Regardless of the priority of layoff, an employee may be retained on an emergency basis for up to fourteen (14) calendar days longer to complete an assignment.

ARTICLE 9
WAGES AND PAYROLLS

Section 9.01 - Classifications and Rates of Pay

Subd. 1. General

All positions covered by this Agreement shall be classified by the Employer and the minimum, maximum and intervening salary rates for such classification shall be those shown in Appendix "A" to this Agreement.

Subd. 2. Job Classification System

The Minneapolis Civil Service Commission (*MCSC*) shall administer the Employer's job classification system in accordance with the following criteria:

- a. The job classification evaluative process shall be based upon professionally developed standards equally applied to all positions without bias.
- b. Job classes shall be established which group positions that have identical or similar primary duties. Within each classification, the nature of the work shall be significantly different from other job classes.
- c. Positions shall be classified based upon their job-related contributions and/or assessed value to the City's functions.
- d. New positions shall be evaluated and placed into job classes based upon a comparison of the similarity of the assigned duties to other positions in the job class. New positions shall be placed into existing job classes unless the duties or conditions of employment are found to be substantially different from other existing classes in the classified service.
- e. The MCSC shall maintain appropriate records relating to classification studies and actions, and shall maintain a written class specification for each job class in the classified service describing typical duties and responsibilities of positions in the job class.
- f. The MCSC, in coordination with the City's Affirmative Action Program, shall assign appropriate Federal Job Category (*FJC*) designations to each job class.

Disputes respecting the classification of jobs within any bargaining unit shall be directed to the MCSC for review and final action. No dispute respecting the classification of jobs shall be subject to the grievance/arbitration provisions of this Agreement. In the event, either by law or otherwise, the MCSC loses its legal authority to administer the Employer's job classification system during the life of this Agreement, the provisions of this section shall be null and void and the Parties shall meet and negotiate with one another, at the request of either of them, over an appeal procedure or other job classification dispute resolution process.

Section 9.02 - Pay Progressions

Subd. 1. General

All employees shall be eligible to be considered for advancement to the next higher step within the pay range for their classification, if applicable, upon the completion of each twelve (12) months of *actual paid service* (i.e., 2088 compensated hours) in such classification. Such increases may be withheld or delayed in cases where the employee's job performance has been of a less than satisfactory level in which case the employee shall be notified that the increase is being withheld or delayed and of the specific reasons therefore. All such denials or delays shall be grievable under the provisions of Article 4 of this Agreement. All increases approved pursuant to this section shall be made effective on the first day of the pay period, which includes the date of eligibility.

Subd. 2. Detailed Employees

The salary of an employee who is detailed to perform all or substantially all of the duties of a higher paid classification shall be determined by adding five percent (5%) to the salary received in the employee's permanent classification and then finding the salary increment closest to that figure in the new detail classification. When eligible for step advancement on the anniversary date in the permanent classification, the employee's wage will be recalculated, if the increase is not withheld or delayed, based upon their permanent classification. The detail pay will then be based upon the new wage in the permanent classification and in accordance with the above calculation.

Section 9.03 - Advances and Transfers

Subd. 1. Pay Upon Promotion

The salary of an employee who advances from one grade to a higher grade salary shall be determined by the hiring manager, taking into consideration the employee's qualifications, years of experience, and salary expectations; the existing labor market; and internal equity. Thereafter, the employee shall be advanced in accordance with Section 9.02 of this article. An employee who voluntarily demotes to their previously held position within twelve (12) calendar months following promotion salary shall be determined by the hiring manager, taking into consideration the employee's qualifications, years of experience, and salary expectations; the existing labor market; and internal equity. The provisions of this subdivision shall also be applicable whenever an employee is detailed to perform all or substantially all of the duties of a higher paid classification.

Subd. 2. Pay Upon Transfer

When an employee attains a position in another classification which provides for an identical pay progression schedule the salary shall be determined by the hiring manager, taking into consideration the employee's qualifications, years of experience, and salary expectations; the existing labor market; and internal equity. The employee shall retain the same anniversary date for future pay increase effective dates.

Subd. 3. Pay Upon Demotion

The salary of an employee who voluntarily demotes shall be determined by the hiring manager, taking into consideration the employee's qualifications, years of experience, and salary expectations; the existing labor market; and internal equity.

The salary of an employee who is demoted for disciplinary reasons from one classification to another which provides for a lower maximum salary, shall be the same step which the employee had before the demotion; however, the employee shall not be placed on a step which provides for a lower salary than the employee had prior to the promotion. Thereafter, the employee shall increase in accordance with Section 9.02 (*Pay Progressions*) of this article.

Section 9.04 - Payrolls and Paydays

All payrolls shall be calculated on a biweekly basis and employees shall normally be paid no later than every other Friday.

Section 9.05 - Benefits Calculations and Accruals

For purposes of benefit plan administration, all compensated hours (exclusive of overtime hours and workers' compensation, unemployment compensation or similar insured compensation payments) shall be considered *hours worked* for all benefit accruals provided for by this Agreement. Benefit accruals shall be based upon a proportionate number of straight-time compensated hours only.

Section 9.06 - Shift Differential Pay

Subd. 1. - Applicability

Employees who are scheduled to work a full shift which begins between 12:00 noon and 4:59 a.m. shall be paid in accordance with Appendix A (Salary Schedule). In addition, should that same employee be authorized to come in early or stay over, working overtime immediately adjacent to such a shift, the shift differential shall also be applied to those hours. The Employer retains the right to determine who is eligible to work shifts that qualify for shift differential pay.

Subd. 2. - Limitations

Employees who are scheduled to work a full shift which begins outside the designated times denoted above shall not qualify for shift differential pay. Should these employees work overtime, either by coming in early or staying over, onto a shift which qualifies for the differential, their sole compensation shall be the payment of overtime or compensatory time, if applicable.

Employees who qualify for shift differential due to working a flex time schedule of their own choosing shall not qualify for shift differential. There shall be no duplication or pyramiding of the overtime and/or premium rates of pay under the provisions of this Agreement unless expressly authorized herein.

Section 9.07 - On Call Pay

The term “on call” is limited to a status in which an employee, though off duty, is required by the Employer, to be available and able to respond to inquiries by telephone and/or, if necessary, return to duty. The employee should receive clear advance notice that they will be “on call” and any schedule should be reasonable thus respecting the employee’s personal life.

- a. An employee will receive \$50.00 for each weekday the employee is on call. The employee will receive \$75.00 for each Saturday, Sunday or holiday the employee is on call.
- b. The on call employee is expected to respond to telephone inquiries during the on call period. On call employees will be compensated for time worked in the performance of job duties. On call employees may be compensated for other work performed at home with the express approval of the department head.
- c. Employees not on call may receive inquiries during off duty hours and/or be asked to return to duty, but they are not required to be available and able to respond.

Section 9.08 - Minimum Reporting Pay

Employees who are required to report to work outside of their regular scheduled shift shall be paid a minimum of four (4) hours at their overtime rate. Such minimum pay guarantee shall not apply when the required work is immediately adjacent to the employees’ schedule work shift.

Nothing herein shall be construed as a guarantee of hours of work per day or per week. There shall be no split shifts and days off shall be scheduled consecutively when reasonably practicable.

Subd. 2. Departures From the Normal Work Schedule

Should it be necessary for the department to temporarily establish work schedules departing from the normal work schedule, notice of such change shall be given to the employee five (5) days in advance when practicable.

When authorized by departmental policy and approved in advance by an eligible employee's supervisor, compensatory time may be granted to employees in lieu of overtime pay. In no case shall overtime pay or compensatory time be granted to employees in grades twelve (12) and above. The overtime pay/compensatory time status codes set forth in Appendix "A" of this Agreement (*OTC 1, 2, 3, or 4*) shall be applicable to bargaining unit employees as defined below:

- b. OTC Codes 2. Overtime pay or compensatory time shall be granted to employees at the rate of one and one-half (1½) times their regular hourly rate of pay for all time worked in excess of eight (8) hours per day or for all time worked in excess of forty (40) hours per week and at the rate of two (2) times their regular hourly rate of pay for all time worked on the seventh (7th) day of a work week. - c. OTC Code 3. Overtime pay or compensatory time shall be granted to employees at the rate of one and one-half (1½) times their regular hourly rate of pay for all time worked in excess of forty (40) hours in any work week.
- d. OTC Code 4. Compensatory time shall be granted for all time worked in excess of the normal work week at the rate of one (1) hour of compensatory time for each hour so worked.

A maximum of fifty (50) hours of compensatory time may be accumulated unless the City Council has authorized up to one hundred twenty (120) hours for employees assigned to work on a special project basis or has authorized pay for compensatory time on a special project basis when funds are available for such purposes. Compensatory time, when used, must be scheduled and approved in advance in the same manner as the scheduling and approval of vacation under this Agreement.

Subd. 2. Regular Rates of Pay and Overtime Calculations

- a. Compensatory time used will not be included in the calculation of hours worked for the purpose of reaching overtime thresholds;
- b. Approved sick, bereavement, jury duty, paid holidays, and accrued vacation leaves from work will be included in the calculation of hours worked for the purpose of reaching daily and weekly overtime thresholds;
- c. Employees may replace compensatory time used with accrued vacation time to meet the weekly overtime threshold. An employee may not use this provision to accrue or increase a negative balance of vacation time. This replacement must be done within the payroll period in which the overtime is worked;
- d. Hourly premiums, shift differentials, hazard pay, longevity and any other negotiated pay benefits will be included in the calculation of the employee's "regular rate of pay;"
- e. All eligible paid leave time is eligible for overtime earnings when the total paid hours within a work week exceeds forty (40) hours, regardless of the sequential order of the applied leave;
- f. The Employer shall calculate the regular rate of pay for overtime payments in accordance with the U.S. Department of Labor's guidance on the FLSA;
- g. "Seventh day worked" means seven consecutive days of actual work (any day where work is performed for 4 hours or more) independent of the Employer's pay periods;
- h. The seventh day worked premium rate of pay of two (2) times the weekly regular rate of pay will be paid for all work performed on the seventh consecutive day of actual work, notwithstanding the timing of pay periods or unscheduled shift changes, except where specifically exempted within other negotiated agreements. The extension of a shift into the next pay day shall not be counted as a separate day of work. Use of any paid time off of more than four (4) hours on any work day within the seven consecutive days is disqualifying for the seventh day worked premium, though the employee remains eligible for the regular time and a half overtime premium if the work exceeds forty (40) hours in any work week.
- i. All seventh day worked premium earnings will be paid in cash; no compensatory time earned will be granted in lieu of cash compensation for this premium;

Subd. 3. No Duplication

There shall be no duplication or pyramiding of overtime and/or premium rates of pay under the provisions of this Agreement. Compensation shall not be paid more than once for the same hours under any provisions of this Agreement.

Subd. 2. Vacation Usage and Charges Against Accruals

In the even the supervisor does not approve, the employee may immediately appeal to the next upper level of the hierarchy.

Additional time off without pay, or use of available vacation time, shall be granted as may reasonably be required under individual demonstrated circumstances. Accrued and available leave balances (vacation, sick leave or compensatory time) may be used following current approval practices.

Section 14.03 - Jury Duty and Court Witness Leave

After due notice to the Employer, employees subpoenaed to serve as a witness or called for jury duty, shall be paid their regular compensation at their current base rate of pay for the period the court duty requires their absence from work duty, plus any expenses paid by the court. Such employees, so compensated, shall not be eligible to retain jury duty pay or witness fees and shall turn any such pay or fees received over to the Employer. If an employee is excused from jury duty prior to the end of the normal work day, they shall return to work if reasonably practicable or make arrangements for a leave of absence without pay. For purposes of this section, such employees shall be considered to be working normal day shift hours for the duration of their jury duty leave. At the time such employees request the leave, they shall provide to their immediate supervisor written verification by a physician of the purpose and length of the required leave. The combined length of leaves for this purpose may not exceed forty (40) hours unless agreed to by the Employer in its sole discretion.

Section 14.08 - Paid Family and Medical Leave

The eligibility for and benefits available to eligible employees for Paid Family and Medical Leave (“PFML”) are as established by Minn. Stat. Ch. 268B. The following provisions are to clarify the application of PFML. Accordingly, the requirements of State Law shall apply to PFML, except as provided below and to the extent such provisions below are more favorable to employees than as required by law.

Subd. 1. Contributions.

An employee may request to use PFML leave intermittently. However, intermittent leave shall not exceed the following in any calendar year: 480 hours of paid leave for non-exempt employees; 656 hours for firefighters working 24-hour shifts; or 60 days for exempt employees. PFML leave may be taken intermittently in the following increments: for non-exempt employees – one-quarter of an hour; for exempt employees – one day or, at the election of the employee, such other amounts as may be allowed under FLMA and the FLSA. Subd. 3. “Top-Off” for Salary.

An employee on PFML may use their accrued vacation, sick leave, or compensatory time banks to be paid the difference between their regular bi-weekly pay and the amount of benefits paid pursuant to PFML. If a holiday falls during the period of PFML leave, it shall not extend the period of PFML leave.

Subd. 4. Use of Other Benefits Not a Prerequisite.

Employees are not required use or exhaust their accrued vacation, sick leave, or compensatory time prior to applying for or receiving PFML benefits.

Section 14.09 - Paid Parental Leave; Recovery Leave from Stillbirth

Stat. § 179A.03, subd. 19. Paid Parental Leave is a paid time off benefit available in lieu of Paid Family and Medical Leave as referenced in Minn. Stat. § 268B.06, subd. 5. Stat. § 179A.03, subd. 19. However, if state law is amended such that it no longer provides for paid family and medical leave for incapacity due to recovery from stillbirth, the City's Recovery Leave Policy shall be null and void, and all benefits under it shall cease.

ARTICLE 15
SICK LEAVE

Section 15.01 - Interaction with State and Local Law

The intent of the parties is that sick leave under this Article includes legally mandated sick and safe leave. Accordingly, sick leave under this article may be used to the extent sick and safe leave is mandated by law, on the same terms and conditions as mandated by law. To the extent sick leave under this Article exceeds the requirements under law, such sick leave may be used in accordance with the

provisions of this Article. The parties agree to waive the application of Minn. Stat. 181.9447, subd. 3, for absences from work in excess of the minimum amount required in Minn. Stat. 181.9446.

Section 15.02 - Definitions

The term *illness*, where it occurs in this article, shall include bodily disease or injury or mental affliction, whether or not a precise diagnosis is available, when such disease or affliction is, in fact, disabling. Other factors defining sick leave are as follows:

Subd. 1. Chemical Dependency

Alcoholism and drug addiction shall be recognized as an illness. However, sick leave pay for treatment of such illness shall be contingent upon two conditions: 1) the employee must undergo an evaluation by a licensed alcohol and drug counselor or substance abuse professional, and 2) the employee, during or following the above care, must participate in a prescribed program of treatment and rehabilitation approved by the Employer in consultation with the Employer's health care provider.

Subd. 2. Illness or Injury in the Immediate Family

Employees may utilize accumulated sick leave benefits for reasonable periods of time when their absence from work is made necessary by the illness or injury of their dependent child (“child” shall include the employee’s biological, step, adopted, or foster child under 18 years of age, or under 20 years of age if still attending secondary school), and not to exceed 160 hours in a rolling 12 month period when their absence from work is made necessary by the illness or injury of their spouse, *registered domestic partner* within the meaning of Minneapolis *Code or Ordinances* Chapter 142, parents, sibling, adult child, grandparent, stepparent, guardian or ward . The utilization of sick leave benefits under the provisions of this subparagraph shall be administered under the same terms as if such benefits were utilized in connection with the employee's own illness or injury. Additional time off without pay, or vacation, if available and requested in advance, shall be granted as may reasonably be required under individual demonstrated circumstances. Nothing in this subdivision limits the rights of employees under the provisions of Section 13.02, Subd. 5 (*Family and Medical Leaves*) of this Agreement.

Section 15.03 - Eligibility, Accrual and Calculation of Sick Leave

If employees who regularly work more than twenty (20) hours per week, are absent due to illness, such absences shall be charged against their accumulated accrual of sick leave. Sick leave pay benefits shall be accrued by eligible employees at the rate of twelve (12) days per calendar year worked and shall be calculated on a direct proportion basis for all hours of credited work time other than overtime.

Section 15.04 - Sick Leave Bank - Accrual

All earned sick leave shall be credited to the employee's sick leave *bank* for use as needed. Twelve (12) days of medically unverified sick leave may be allowed each calendar year. However, the Employer may require medical verification in cases of suspected fraudulent sick leave claims including where the employee's use of sick leave appears systematic or patterned. Five (5) or more consecutive days of sick leave shall require an appropriate health care provider in attendance and verification of such attendance.

The term *in attendance* shall include telephonically-prescribed courses of treatment by a physician which are confirmed by a prescription or a written statement issued by the physician.

Section 15.05 - Interrupted Sick Leave

Employees who have been certified or recertified to a permanent position shall, after layoff or disability retirement, be granted sick leave accruals consistent with the provisions of this article. Employees returning from military leave shall be entitled to sick leave accruals as provided by applicable Minnesota statutes.

Section 15.06 - Sick Leave Termination

No sick leave shall be granted an employee who is not on the active payroll or who is not available for scheduled work. Layoff of an employee on sick leave shall terminate the employee's sick leave.

Section 15.07 - Employees on Suspension

Employees who have been suspended for disciplinary purposes shall not be granted sick leave accruals or benefits for such period(s) of suspension.

Section 15.08 - Employees on Leave of Absence Without Pay

An employee who has been granted a leave of absence without pay, except a military leave, shall not be granted sick leave accruals or benefits for such periods of leave of absence without pay.

Section 15.09 - Workers' Compensation and Sick Leave

Employees in the classified service shall have the option of using available sick leave accruals, vacation accruals, or of receiving workers' compensation (if qualified under the provisions of the *Minnesota Workers' Compensation Statute*) where sickness or injury was incurred in the line of duty. If sick leave or vacation is used, payments of full salary shall include the workers' compensation to which the employees are entitled under the applicable statute, and the employees shall receipt for such compensation payments. If sick leave or vacation is used, the employees' sick leave or vacation credits shall be charged only for the number of days represented by the amount paid to them in excess of the workers' compensation payments to which they are entitled under the applicable statute. If an employee is required to reimburse the Employer for the compensation payments thus received, by reason of the employee's settlement with a third party, the employee's sick leave or vacation will be reinstated for the number of days which the reimbursement equals in terms of salary. In calculating the number of days, periods of one-half (½) day or more shall be considered as one (1) day and periods of less than one-half (½) day shall be disregarded.

Section 15.10 - Notification Required

Employees shall be required to notify their immediate supervisor as soon as possible of any occurrence within the scope of this article which prevents work. If the Employer has provided pre-work shift contact arrangements, employees shall be required to provide such notification no later than one (1) hour before the start of the work shift. If no such arrangements have been made, employees shall be required to

provide such notification as soon as possible but in no event later than one-half (1/2) hour after the start of the shift.

ARTICLE 16
SICK LEAVE CREDIT PAY AND SEVERANCE PAY

Section 16.01 - Annual Sick Leave Credit Plan

An employee, who satisfies the eligibility requirements of this Section, shall be entitled to make an election to receive payment for sick leave under the terms and conditions set forth below.

- A. Eligibility. An employee who has an accumulation of sick leave of sixty (60) days or more on December 1 of each year (hereafter an “Eligible Employee”) shall be eligible to make the election described below.

- B. Election. On or before December 10 of each year, the Employer shall provide to each Eligible Employee a written election form on which the Eligible Employee may elect whether they want to receive cash payment for all or any portion of their sick leave that will be accrued during the calendar year immediately following the election (the “Accrual Year”). The employee shall deliver the election form to the Employer on or before December 31. Such election is irrevocable. Therefore, once an Eligible Employee transmits their election form to the Employer, the employee may not revoke the decision to receive cash payment for sick leave or change the amount of sick leave for which payment is to be made. If an Eligible Employee does not transmit an election form to the employer on or before December 31, they shall be considered to have directed the Employer to NOT make a cash payment for sick leave accrued during the Accrual Year.

- C. Payment. Within sixty (60) days after the end of the Accrual Year, an Eligible Employee who has elected to receive cash payment shall be paid as follows:
 - i. *At Least Sixty (60) Days, But Less Than Ninety (90) Days.* Payment shall be made for the amount of sick leave accrued during the Accrual Year up to the amount indicated by the employee on their election form. The amount of the payment shall be based on fifty percent (50%) of the employee’s regular hourly rate of pay in effect on December 31 of the Accrual Year.

 - ii. *At Least Ninety (90) Days, But Less Than One Hundred Twenty (120) Days.* Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on their election form. The amount of the payment shall be based on seventy-five percent (75%) of the employee’s regular hourly rate of pay in effect on December 31 of the Accrual Year.

- iii. *At Least One Hundred Twenty (120) Days.* Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on their election form. The amount of the payment shall be based on one hundred percent (100%) of the employee's regular hourly rate of pay in effect on December 31 of the Accrual Year.
- D. Adjustment of Sick Leave Bank. The number of hours for which payment is made shall be deducted from the Eligible Employee's sick leave bank at the time payment is made.
- E. Deferred Compensation. Employees, at their sole option, may authorize and direct the Employer to deposit sick leave credit pay under paragraph (c) to a deferred compensation plan or other tax qualified plan administered by the Employer provided such option is exercised at the same annual time as regular changes in deferred compensation payroll deductions are normally permitted.

Section 16.02 - Accrued Sick Leave Separation Plan

Employees who separate from positions in the qualified service and who meet the requirements set forth in this Article shall be paid in the manner and amount set forth herein.

- A. Payment for accrued but unused sick leave shall be made only to separated former employees who:
 - i. have separated from service; and
 - ii. as of the date of separation had accrued sick leave credit of no less than sixty (60) days; and
 - iii. as of the date of separation had:
 - 1. no less than twenty (20) years of qualified service as computed for separation purposes, or
 - 2. who have reached sixty years of age, or
 - 3. who are required to separate early because of disability.
- B. When an employee having no less than sixty (60) days of accrued sick leave dies prior to separation, they shall be deemed to have separated because of disability at the time of death, and payment for their accrued sick leave shall be paid to the designated beneficiary as provided in this Section.
- C. The amount payable to each employee qualified hereunder shall be one-half (½) the daily rate of pay for the position held by the employee on the day of retirement, notwithstanding subsequent retroactive pay increases, for each day of accrued sick leave subject to a minimum of sixty (60) days.

- D. 100% of the amount payable under this Section shall be deposited into the Health Care Savings Account (MSRS). This deposit shall occur within thirty (30) days of the date of separation, provided however, that in the case of involuntary termination, this deposit shall occur only after final disposition is reached or all timelines to contest the discharge have expired, whichever is later.
- E. If an employee entitled to payment under this Section dies prior to receiving the full amount of such benefit, the payment shall be made to the beneficiary entitled to the proceeds of their Minneapolis group life insurance policy or to the employee's estate if no beneficiary is listed.

LETTER OF AGREEMENT
Reasonable Suspicion Drug and Alcohol Testing

1. **PURPOSE STATEMENT** - Abuse of drugs and alcohol is a nationwide problem. It affects persons of every age, race, sex and ethnic group. It poses risks to the health and safety of employees of the City of Minneapolis and to the public. To reduce those risks, the City has adopted this LOA concerning drugs and alcohol in the workplace. This LOA establishes standards concerning drugs and alcohol which all employees must meet and it establishes a testing procedure to ensure that those standards are met.

This drug and alcohol testing LOA is intended to conform to the provisions of the Minnesota *Drug and Alcohol Testing in the Workplace Act* (Minnesota Statutes §181.950 through 181.957), as well as the requirements of the federal *Drug-Free Workplace Act of 1988* (Public Law 100-690, Title V, Subtitle D) and related federal regulations. Nothing in this LOA shall be construed as a limitation upon the Employer's obligation to comply with federal law and regulations regarding drug and alcohol testing.

The Human Resources Director is directed to develop and maintain procedures for the implementation and ongoing maintenance of this LOA and to establish training on this LOA and applicable law.

2. **WORK RULES**

- A. No employee shall be under the influence of any drug or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment, except pursuant to a legitimate medical reason or when approved by the Employer as a proper law enforcement activity.
- B. No employee shall use, possess, sell or transfer drugs, alcohol or drug paraphernalia while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment, except pursuant to a legitimate medical reason, as determined by the Medical Review Officer, or when approved by the Employer as a proper law enforcement activity.
- C. No employee, while on duty, shall engage or attempt to engage or conspire to engage in conduct which would violate any law or ordinance concerning drugs or alcohol, regardless of whether a criminal conviction results from the conduct.
- D. As a condition of employment, no employee shall engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace.
- E. As a condition of employment, every employee must notify the Employer of any criminal drug statute conviction no later than five (5) days after such conviction.
- F. Any employee who receives a criminal drug statute conviction, if not discharged from employment, must within thirty (30) days satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.
- G. The Employer shall notify the granting agency within ten (10) days after receiving notice of a criminal drug statute conviction from an employee or otherwise receiving actual notice of such conviction.

3. **PERSONS SUBJECT TO TESTING**

Unless otherwise specified, all employees are subject to testing under applicable sections of this LOA. However, no person will be tested for drugs or alcohol under this LOA without the person's consent. The Employer can request or require an individual to undergo drug or alcohol testing **only under the circumstances described in this LOA.**

4. CIRCUMSTANCES FOR DRUG OR ALCOHOL TESTING

A. **Reasonable Suspicion Testing.** The Employer may, but does not have a legal duty to, request or require an employee to undergo drug and alcohol testing if the Employer or any supervisor of the employee has a reasonable suspicion (a belief based on specific facts and rational inferences drawn from those facts) related to the performance of the job that the employee:

1. Is under the influence of drugs or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment; or
2. Has used, possessed, sold, purchased or transferred drugs, alcohol or drug paraphernalia while the employee was working or while the employee was on the Employer's premises or operating the Employer's vehicle, machinery or equipment; or
3. Has sustained a personal injury as that term is defined in *Minnesota Statutes* §176.011, Subd. 16, or has caused another person to die or sustain a personal injury; or
4. Was operating or helping to operate machinery, equipment, or vehicles involved in a work-related accident resulting in property damage or personal injury and the Employer or investigating supervisor has a reasonable suspicion that the cause of the accident may be related to the use of drugs or alcohol.

Whenever it is possible and practical to do so, more than one Agent of the Employer shall be involved in reasonable suspicion determinations under this LOA.

B. **Treatment Program Testing** – The employer may request or require an employee to submit to drug and alcohol testing if the employee is referred for chemical dependency treatment by reason of having a positive test result under this LOA or is participating in a chemical dependency treatment program under an employee benefit plan. In such case, the employee may be required to submit to drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following notification that they will be subjected to Treatment Program Testing.

C. **Unannounced Testing by Agreement.** The employer may request or require an employee to submit to drug and alcohol testing without prior notice on terms and conditions established by a written “last-chance” agreement between the Employer and employee’s collective bargaining representative.

D. **Testing Pursuant to Federal Law.** The employer may request or require an employee to submit to testing as may be necessary to comply with federal law and regulations. It is the intent of this LOA that federal law preempts both state drug and alcohol testing laws and City policies and agreements. If this LOA conflicts with federal law or regulations, federal law and regulations shall prevail. If there are conflicts between federal regulations and this LOA, attributed in part to revisions to the law or changes in interpretations, and when those changes have not been updated or accurately reflected in this policy, the federal law shall prevail.

5. REFUSAL TO UNDERGO TESTING

A. **Right to Refuse** - Employees have the right to refuse to undergo drug and alcohol testing. If an employee

refuses to undergo drug or alcohol testing requested or required by the Employer, no such test shall be given.

- B. **Consequences of Refusal** - If any employee refuses to undergo drug or alcohol testing requested or required by the Employer, the Employer may subject the employee to disciplinary action up to and including discharge from employment.
- C. **Refusal on Religious Grounds** - No employee who refuses to undergo drug or alcohol testing of a blood sample upon religious grounds shall be deemed to have refused unless the employee also refuses to undergo alternative drug or alcohol testing methods.
- D. **Failure to Provide a Valid Sample with a Certified Result** – Includes but is not limited to: 1) failing to provide a valid sample that can be used to detect the presence of drugs and alcohol or their metabolites; 2) providing false information in connection with a test; 3) attempting to falsify test results through tampering, contamination, adulteration, or substitution; 4) failing to provide a specimen without a legitimate medical explanation; and 5) demonstrating behavior which is obstructive, uncooperative, or verbally offensive, and which results in the inability to conduct the test.

6. PROCEDURE FOR TESTING

- A. **Notification Form** - Before requesting an employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to (1) acknowledge that the individual has seen a copy of the Employer's *Drug and Alcohol Testing LOA*, and (2) indicate consent to undergo the drug and alcohol testing.
- B. **Collecting the Test Sample** - The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent practicable, consistent with preventing tampering with the sample. All test samples shall be obtained by or under the direct supervision of a health care professional.
- C. **Testing the Sample.** The handling and testing of the sample shall be conducted in the manner specified in Minn. Stat. §181.953 by a testing laboratory which meets, and uses methods of analysis which meet, the criteria specified in subdivisions.1, 3, and 5 of that statute.
- D. **Thresholds.** The threshold of a sample to constitute a positive result alcohol, drugs, or their metabolites is contained in the standards of one of the programs listed in MN Statute §181.953, subd 1. The employer shall, not less than annually, provide the unions with a list or *access to a list* of substances tested for under this LOA and the threshold limits for each substance. In addition, the employer shall notify the unions of any changes to the substances being tested for and of any changes to the thresholds at least thirty (30) days prior to implementation.
- E. **Positive Test Results** – In the event an employee tests positive for drug use, the employee will be provided, in writing, notice of their right to explain the test results. The employee may indicate any relevant circumstance, including over the counter or prescription medication taken within the last thirty (30) days, or any other information relevant to the reliability of, or explanation for, a positive test result.

7. RIGHTS OF EMPLOYEES

Within three (3) working days after receipt of the test result report from the Medical Review Officer, the Employer shall inform in writing an employee who has undergone drug or alcohol testing of:

- A. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;
- B. The right to request and receive from the Employer a copy of the test result report;
- C. The right to request within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee's expense at the original testing laboratory or another licensed testing laboratory;
- D. The right to submit information to the Employer's Medical Review Officer within three (3) working days after notice of a positive test result to explain that result; indicate any over the counter or prescription medications that the employee is currently taking or has recently taken and any other information relevant to the reliability of, or explanation for, a positive test result;
- E. The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a Minnesota Licensed Alcohol and Drug Counselor (LADC) or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a Minnesota LADC or a physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;
- F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;
- G. The right, if suspended without pay, to be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative;
- H. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;
- I. The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;
- J. The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.
- K. The right to suffer no adverse personnel action based solely on the fact that the employee is requested to submit to a test.

8. ACTION AFTER TEST

The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of requesting that an employee submit to a test or the existence of a positive test result from an initial screening test that has not been verified by a confirmatory test.

A. **Positive Test Result.** Where there has been a positive test result in a confirmatory test and in any confirmatory retest (if the employee requested one), the Employer will do the following unless the employee has furnished a legitimate medical reason for the positive test result:

1. **First Offense** - The employee will be referred for an evaluation by an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If the employee either refuses to participate in the counseling or rehabilitation program or fails to successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, the Employer may impose discipline, up to and including discharge.
2. **Second Offense** - Where an employee tests positive, and the employee has previously participated in one program of treatment required by the Employer, the Employer may discharge the employee from employment.

B. **Suspensions and Transfers.**

1. **Pending Test Results From an Initial Screening Test or Confirmatory Test.** While awaiting the results from the Medical Review Officer, the employee shall be allowed to return to work unless the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public, and the conduct upon which the employee became subject to drug and alcohol testing would, independent of the of the results of the test, be grounds for discipline. In such circumstances, the employer may temporarily suspend the tested employee with pay, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay.
2. **Pending Results of Confirmatory Retest. Confirmatory retests of the original sample are at the employee's own expense.** When an employee requests that a confirmatory retest be conducted, the employer may place the employee on unpaid leave, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay provided the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public. An employee placed on unpaid leave may use their accrued and unused vacation or compensatory time during the time of leave. An employee who has been placed on unpaid leave must be made whole if the outcome of the confirmatory retest is negative.

3. **Rights of Employee in Event of Work Restrictions.** In situations where the employee is not allowed to remain at work until the end of their normal work day pursuant to this paragraph B, the Employer may not prevent the employee from removing their personal property, including but not limited to the employee's vehicle, from the Employer's premises. If the employer reasonably believes that upon early dismissal from work under this paragraph the employee is about to commit a criminal offense by operating a motor vehicle while impaired by drugs or alcohol, the Employer may advise the employee that 911 will be called if the employee attempts to drive or call 911 before dismissing the employee from work so that a law enforcement officer may determine whether the employee is able to operate a motor vehicle legally. This LOA is not applicable with regard to any such determination by a law enforcement officer.
- C. **Other Misconduct** - Nothing in this LOA limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, the rules of the Civil Service Commission, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.
 - D. **Other Consequences** – Other actions may be taken pursuant to Civil Service Rules, collective bargaining agreements or laws.
 - E. **Treatment Program Testing** – The Employer may request or require an employee to undergo drug and alcohol testing if the employee has been referred by the employer for chemical dependency treatment or evaluation or is participating in a chemical dependency treatment program under an employee benefit plan, in which case the employee may be requested or required to undergo drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following completion of any prescribed chemical dependency treatment program.

9. DATA PRIVACY

The purpose of collecting a body component sample is to test that sample for the presence of drugs or alcohol or their metabolites. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result is requested to ensure that the test is reliable and to determine whether there is a legitimate medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The Employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to another employer or to a third-party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order.

10. APPEAL PROCEDURES

- A. Employees may appeal discipline imposed under this LOA through the Dispute Resolution Procedure

contained in the Collective Bargaining Agreement (i.e. grievance procedure) or to the Minneapolis Civil Service Commission.

- B. Concerning disciplinary actions taken pursuant to this drug and alcohol testing LOA, available Civil Service Commission appeal procedures are as follows:
- 1) Non-Veterans on Probation: An employee who has not completed the probationary period and who is not a Veteran has no right of appeal to the Civil Service Commission.
 - 2) Non-Veterans After Probation: An employee who has completed the probationary period and who is not a Veteran has a right to appeal to the Civil Service Commission only a suspension of over thirty (30) days, a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action.
 - 3) Veterans: An employee who is a Veteran has a right to appeal to the Civil Service Commission a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within sixty (30) calendar days of the date of mailing by the Employer of notice of the disciplinary action, regardless of status with respect to the probationary period. An employee who is a Veteran has a right to appeal to the Civil Service Commission a suspension of over thirty (30) days if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action. An employee who is a Veteran may have additional rights under the Veterans Preference Act, *Minnesota Statutes* §197.46.
- C. All notices of appeal to the Civil Service Commission must be submitted in writing to the Minneapolis Civil Service Commission, 250 South 4th Street - Room #100, Minneapolis, MN 55415-1339.
- D. An employee may elect to seek relief under the terms of their collective bargaining agreement by contacting the appropriate Union and initiating grievance procedures in lieu of taking an appeal to the Civil Service Commission.

(REASONABLE SUSPICION)**

AND DATA PRACTICES ADVISORY

I acknowledge that I have seen and read the City of Minneapolis *Drug and Alcohol Testing LOA*. I hereby consent to undergo drug and/or alcohol testing pursuant to said LOA, and I authorize the City of Minneapolis through its agents and employees to collect a sample from me for those purposes.

I understand that the procedure employed in this process will ensure the integrity of the sample and is designed to comply with medicolegal requirements.

I understand that the results of this drug and alcohol testing may be discussed with and/or made available to my employer, the City of Minneapolis. I further understand that the results of this testing may affect my employment status as described in the LOA.

The purpose of collecting a sample is to test that sample for the presence of drugs and alcohol. A sample provided for drug and alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample may be requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result will be requested by the Medical Review Officer (MRO) to ensure that the test is reliable and to determine whether there is a legitimate medical reason for any drug, alcohol, or their metabolites in the sample.

The MRO may only disclose to the City of Minneapolis test result data regarding presence or absence of drugs, alcohol, or their metabolites, in a sample tested. The City of Minneapolis or laboratory may not disclose the test result reports and other information acquired in the drug testing process to another employer or to a third-party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order. Evidence of a positive test result on a confirmatory test may be: (1) used in an arbitration proceeding pursuant to a collective bargaining agreement, an administrative hearing under Minnesota Statutes, Chapter 43A or other applicable state or local law, or a judicial proceeding, provided that information is relevant to the hearing or proceeding; (2) disclosed to any federal agency or other unit of the United States government as required under federal law, regulation, or order, or in accordance with compliance requirements of a federal government contract; and (3) disclosed as required by law, court order, or subpoena. **LETTER OF AGREEMENT
2026 Health Plan**

WHEREAS, the City of Minneapolis (hereinafter “City”) and the Local NO. 292, Electrical Technicians Unit (hereinafter “Union”) are parties to a Collective Bargaining Agreement that is currently in force; and

WHEREAS, the Parties desire to provide quality health care at an affordable cost for the protection of employees, which requires a modification to the current CBA as it relates to the funding of the Health Plan beginning January 1, 2026;

NOW, THEREFORE BE IT RESOLVED, that the parties agree as follows for the period January 1, 2026 through December 31, 2026:

1. The City will offer a medical plan with six (6) provider options. Medica Elect is a managed care model, Medica Choice Passport is an open access model, and Vantage Plus with Medica, Park Nicollet and HealthPartners First with Medica, Ridgeview Community Network powered by Medica and Clear Value with Medica are accountable care organizations (ACOs). Medica Self-Insured (“Medica”) is providing certain administrative services, including claims processing, for all plan options. Notwithstanding any provision in the CBA to the contrary, coverage for an employee who meets the eligibility requirements set forth in the CBA shall start on the first day of the month following the employee’s date of hire, provided the employee has timely submitted the proper enrollment forms.
2. The City will continue a dual medical premium equivalent system that provides incentives for wellness program completion. The monthly medical premium equivalents for subscribers who earn the required wellness program points by August 31, 2025 (the “wellness premiums equivalents”) will be lower than the premium equivalents for subscribers who do not earn the required wellness program points by August 31, 2025 (the “standard premium equivalents”). Any changes to the wellness program requirements, including those implemented for 2026, will be as agreed upon by the Benefits Subcommittee of the Citywide Labor Management Committee. For 2026, the “wellness premium equivalent” will also apply to all employees who are newly enrolled in the medical plan after June 1, 2025. The wellness program requirements for 2026 (specifically the 3,000-point threshold to earn the incentive and the point structure are set forth on the MyMedica.com member portal) are as agreed upon by the Benefits Sub-committee of the Citywide Labor Management Committee.
3. For the period January 1, 2026 through December 31, 2026, the City will pay \$714.00 per month for employees who elect single coverage under the medical plan. For the period January 1, 2026 through December 31, 2026, the City will pay \$1930.00 per month for employees who elect family coverage under the medical plan. The total monthly rate and the respective employer and employee monthly contributions for the period January 1, 2026 through December 31, 2026 are as set forth in Appendix A.
4. The City will continue the Health Reimbursement Arrangement (“the HRA”) which was established January 1, 2004 to provide reimbursement of eligible health expenses for participating employees, their spouse and other eligible dependents; and the Voluntary Employees’ Beneficiary Association Trust (the “Trust”) through which the HRA is funded.

5. The Plan shall be administered by the City or, at the City’s sole discretion, a third-party administrator.
6. The City shall designate a Trustee for the Trust. Such Trustee shall be authorized to hold and invest assets of the Trust and to make payments on instructions from the City or, at the City’s discretion, from a third-party administrator in accordance with the conditions contained in the HRA. Representatives of the City and up to three representatives selected by the Minneapolis Board of Business Agents shall constitute the VEBA Investment Committee which shall meet periodically to review the assets and investment options for the Trust.
7. The City shall pay the administration fees for HRA members who are current employees and other expenses pursuant to the terms of the HRA. HRA members who have separated from service will be charged the administration fee.
8. The City will make a contribution to the HRA in the annual amount of \$1,200.00 for employees who elect single coverage and \$2,400.00 for employees who elect family coverage in the City of Minneapolis Medical Plan. Such City contribution shall be made in semi-monthly installments equal to one-twenty fourth (1/24) of the designated amount and shall be considered to be contract value in the designated amount.
9. The Parties agree that, except for City contributions to the HRA, incentives, discounts or special payments provided to medical plan members that are not made to reimburse the member or their health care provider for health care services covered under the medical plan (e.g. incentives to use health club memberships or take health risk assessments) are not benefits for the purposes of calculating aggregate value of benefits pursuant to Minn. Stat. § 471.6161, Subd. 5.
10. Future cost sharing of medical premium equivalent costs between the employer and employees for the medical plan premium equivalents will be determined by the Benefits Sub-committee of the Citywide Labor Management Committee; however, absent an agreement to the contrary, the City shall bear 82.5% of any aggregate medical premium equivalent increase and the employees shall bear 17.5% of any aggregate medical premium increase.
11. The unions shall continue to be involved with the selection of and negotiations with the medical plan carrier or, so long as the City is self-insured, the third-party administrator of the City’s plan. The City and the Unions will also continue to work together each year to evaluate the health plan and related benefits so that the health benefits remains current, competitive, cost-efficient, and effective at meeting the needs of the City and employees.
12. This agreement does not provide the unions with veto power over the City’s decisions.
13. This agreement does not negate the City’s obligation to negotiate with the unions as described by Minn. Stat. § 471.6161, Subd. 5.
14. The terms of this agreement shall be incorporated into the Collective Bargaining Agreement as appropriate without additional negotiations.

LETTER OF AGREEMENT **Job Bank and Related Matters**

The above-entitled Parties are signatory to a Labor Agreement which is currently in force (the “Labor Agreement”). This Letter of Agreement outlines additional agreements reached by the Parties during the course of collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS

The Employer has created a *Job Bank* as a component of its resources allocation (budget) process. The purpose of the Job Bank is to assist the Employer and its employees during a time of major restructuring and change caused by unyielding demands for municipal service in the face of decreasing funding. It is the Employer’s intention, to the extent feasible under these circumstances, to identify employment opportunities for employees whose positions are eliminated through reassignment, retraining and out-placement support. One of the purposes of the Job Bank process is to minimize, to the extent possible, the disruption normally associated with contractual “bumping” and layoff procedures to both the Employer and affected employees.

The Job Bank process shall be administered in a manner which is consistent with the Employer’s desire to treat affected employees with dignity and respect at a difficult time in their relationship and to provide as much information and assistance to them as may be reasonably possible and practical within the limited resources available.

The term “Recall List” as used in this Agreement means the list of employees who are laid off from employment with the City or removed from their position by reason of a reduction in the size of the workforce, and who retain a right to return to their prior job classification pursuant to the terms of the Labor Agreement and/or Civil Service rules.

JOB BANK PROCESS AND PROCEDURE

I. Job Bank Assignment

1. Regular (*permanently certified*) employees whose positions are eliminated shall receive formal, written notification to that effect from the appointing authority of the department to which they are assigned. If a position is to be eliminated in any department, the employee with

the least amount of seniority in the particular job class within the impacted division/department will be placed in the job bank, regardless of performance, assignment, function or other consideration. For the purposes of this section, a division is defined as an operational unit headed by a supervisory director or deputy who reports directly to a department head. If a department is of such a size as to have no distinct divisions, the department shall be treated as a division. Whether the layoff will be implemented relative to the least senior in a division or department will be determined by the terms of the Labor Agreement covering the impacted positions.

2. Such employees shall be assigned to the Job Bank. Employees whose positions have been eliminated based on the Employer's regular annual budget process, including the Mayor's proposed budget and/or the final annual City budget as passed by the City Council, or as otherwise ordered by the City Council, are entitled to a sixty (60) day tenure in the job bank. All positions eliminated based on the Mayor's proposed budget and/or the final annual City budget as passed by the City Council must be so eliminated after the Mayor's proposed budget is announced but no later than January 1, of the next budget cycle (unless the department/division intends to eliminate at a later date as part of their final annual budget for that year). Employees whose positions have been eliminated based on any mid-cycle budget or revenue reductions not controlled by the Mayor and the City Council, are entitled to a thirty (30) day tenure in the job bank, or until they are reassigned, whichever may first occur. All such employees in the Job Bank shall have extended job bank services for as long as they remain on a recall list. During such period such laid off employees shall form a pool for "restricted examination" for positions for which they may be qualified. The employee will notify the City of their interest in being considered. The Union will assist in notifying these employees of vacancies to be filled. A permit position shall be considered a "vacancy" if it is in a job classification impacted by the workforce reduction and if more than 60 days remain on the permit.
3. Permit and temporary employees whose employment is terminated are not eligible for Job Bank assignment or benefits. Certified temporary employees shall, however, be eligible for the Job Bank activities described in paragraphs 2(c) below.

II. Job Bank Activities

1. While affected employees are assigned to the Job Bank, they shall continue in their positions with no change in pay or benefits. While so assigned, however, affected employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties at a different location as determined by the Employer.
2. While affected employees are assigned to the Job Bank, the Employer shall make reasonable efforts to identify vacant positions within its organization which may provide continuing employment opportunities and which may be deemed suitable for affected employees by all concerned.

- a. **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC Grade level provided they meet the minimum qualifications for the position.
- i. **Seniority Upon Transfer.** In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
- ii. **Pay Upon Transfer.** The employee's salary in the new position will be determined by the hiring manager, taking into consideration the employee's qualifications, years of experience, and salary expectations; the existing labor market; and internal equity. If the employee's salary in the former position is greater than the maximum salary applicable to the new title, the employee's salary will be *red circled* until the maximum salary for the new title meets the employees' red circled rate. Such employees shall, however, be eligible for fifty percent (50%) of the negotiated general increase occurring during the term of the Agreement. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
- iii. **Probationary Periods.** Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed, the affected employee shall be returned to Job Bank assignment and the employee's "bumping", layoff or transfer rights under the Agreement or other applicable authority shall be restored to the same extent such rights existed prior to the employee taking the probationary position. Upon the affected employee's first such return to the Job Bank, the employee shall be entitled to remain in the Job Bank for the greater of ten (10) business days, or the duration of the applicable Job Bank period, as determined under Article I, paragraph 2, that remained as of the date the employee began in the probationary position. The rate of compensation for the remainder of the employee's time in the Job Bank will be the same as the rate in effect as of the employee's last day in the probationary position. Return to the Job Bank terminates the employee's work in the probationary assignment and, therefore, time served following the return to the Job Bank shall not be construed to count toward the completion of the probationary period.
- b. **Reassignment.** The Employer reserves the right to transfer an employee in the Job Bank to a new position and/or duty location within their job classification at a time determined to be appropriate by the Employer. Such reassignments terminate the affected employee's assignment to the Job Bank. If the Labor Agreement covering

the job classification of the employee reassigned under this paragraph specifically permits a probationary period upon reassignment, the provisions of subparagraph a.iii., above, shall apply as if the reassignment had been a transfer.

- c. **Recall Rights.** Employees who accept a position out of the Job Bank or who bump into a previously held position, or leave City employment on layoff shall retain recall rights to the title they held when assigned to the Job Bank in accordance with the collective bargaining agreement at the time of placement in the Job Bank.
- d. **Filling Vacant Positions.** During the time the procedures outlined herein are in effect, position vacancies to be filled shall first be offered to regular employees who have a contractual right to be recalled to a position in the involved job classification or who may have a right to “bump” or transfer to the position, as the case may be. In such circumstances, the seniority provisions of the Agreement shall be observed. If no regular employee has a contractual right to the position, the following shall be given consideration in the order (priority) indicated below:

- 1st Priority: Qualified Job Bank employees
- 2nd Priority: Employees on a recall list
- 3rd Priority: Employee applicants from a list of eligibles
- 4th Priority: Displaced certified temporary employees
- 5th Priority: Non-employee applicants from a list of eligibles

The qualifications of an employee in the Job Bank or on a recall list shall be reviewed to determine whether they meet the qualifications for a vacant position. Whether the employee can be trained for a position within a reasonable time (not to exceed three months) shall be considered when determining the qualifications of an employee. If it is determined that the employee does not meet the qualifications for a vacant position, the employee may appeal to the Director of Human Resources. If it is determined that an employee in the Job Bank is qualified for a vacant position, the employee shall be selected. The appointing authority may appeal the issue of whether the employee is qualified. The dispute shall be presented to and resolved by the Job Bank Steering Committee.

If it is determined that an employee on a recall list is qualified for a vacant position, the employee will be given priority consideration and may be selected. Appeals regarding employees on a recall list and their qualifications for a position will be handled by the Civil Service Commission.

The grievance procedure under the Labor Agreement shall not apply to determinations as to qualifications of the employee for a vacant position.

- 3. During their assignment to the Job Bank, affected employees will be provided an opportunity to meet with the Employer’s Placement Coordinator to discuss such matters as available employment opportunities with the Employer, skills assessments, training and/or retraining opportunities, out-placement assistance and related job transition subjects.

Involvement in these activities will be at the discretion of the employee. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment, training and job search activities. Displaced certified temporary employees are eligible for the benefits described in this paragraph. These services shall be provided to the Job Bank employee at no cost to the employee.

III. Layoff, Bumping and Retirement Considerations

1. A “Primary Impact Employee” is an employee who enters the Job Bank due to the elimination of their position. A “Secondary Impact Employee” is an employee who enters the Job Bank because they may be displaced by a Primary Impact Employee. All affected employees may exercise the displacement, “bumping” and/or layoff rights immediately. A Primary Impact Employee must exercise displacement or bumping rights within forty-five (45) days of entering the Job Bank (or within twenty-two [22] days of entering the Job Bank for an employee entitled to 30-days in the Job Bank). A Primary Impact Employee who exercises their displacement or bumping rights within the first thirty (30) days from entering the Job Bank (within the first fifteen [15] days for an employee entitled to 30-days in the Job Bank) shall have 8 hours added to the employee’s vacation bank. A Secondary Impact Employee must exercise their displacement or bumping rights within seven (7) calendar days of being displaced or bumped. Displacement and bumping rights shall be forfeited unless exercised by the deadlines specified in this paragraph or in the provisions of 2.a *iii*, Lateral Transfers, above. Regardless of when bumping rights are exercised, any change in the compensation of the employee resulting from the exercise of bumping rights shall not take effect until after the employee’s term in the Job Bank would have expired had the employee remained in the Job Bank for the maximum period.
2. If an affected employee is unable to exercise any “bumping” rights, or forfeits their bumping rights, under the Agreement or other authority and has not been placed in another City position, the employee shall be laid off and placed on the appropriate recall list with all rights pursuant to the relevant Labor Agreement provisions, if any, and all applicable Civil Service rules. In addition, they shall be eligible for the benefits described as follows:
 - (a) The level of coverage, single or family, shall continue at the level of coverage in effect for the laid off employee as of the date of layoff.
 - (b) The health/dental plan that shall be continued shall be the plan in effect for the employees as of the date of layoff.
 - (c) The City shall pay one hundred (100) percent of the premiums for the first six (6) months of COBRA continuance at the level of coverage and plan selected by the employee and in effect on the date of the layoff.

The terms of this provision relating to the continuation of insurance benefits will expire on December 31, 2028. The City Council must take specific action to extend these terms

relating to the continuation of insurance benefits if the City Council wants those specific insurance benefits to apply to laid off employees after December 31, 2028.

- 3. If eligible, affected employees may elect retirement from active employment under the provisions of an applicable pension or retirement plan. In such event, affected employees will be eligible for any available Retirement Incentive that is agreed to by the Parties.

IV. Dispute Resolution. Disputes regarding the application or interpretation of this Agreement are subject to the grievance procedure under the Labor Agreement between the parties, except as specifically provided here. A dispute regarding the application or interpretation of this Agreement that needs to be resolved during an employee’s time in the Job Bank may be submitted to the Job Bank Steering Committee. The decision of the Job Bank Steering Committee will be binding on the parties. Submission to the Job Bank Steering Committee shall not preclude the filing of a grievance on the issue. However, the decision of the Steering Committee shall be admissible in an arbitration hearing on such grievance.

The provisions of this *Letter of Agreement* associated with the Job Bank Program shall become effective upon the approval of the Employer’s Council and Mayor. The Job Bank procedures outlined herein shall be observed after the negotiated termination date of the Labor Agreement between the Parties, and expire on December 31, 2028.

To the extent that there is any conflict between the terms of this *Letter of Agreement* and the Labor Agreement, the Labor Agreement shall prevail.

NOW THEREFORE, the Parties have caused this *Letter of Agreement* to be executed by their duly authorized representative whose signatures appear below.

Return to Work/Job Bank Program

The City of Minneapolis and the International Brotherhood of Electrical Workers, Local No. 292 (hereinafter referred to as the *Employer* and the *Union*, respectively, or the *Parties*, collectively) to a Collective Bargaining Agreement (the *Agreement*) that is currently in force. The Agreement covers the terms and conditions of employment of certain employees of the Employer who are represented for purposes of collective bargaining by the Union. This Letter of Agreement outlines additional agreements between the Parties which were reached during the term of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS OF THE RETURN TO WORK PROGRAM:

The employee’s Return to Work Program provides for the timely return to work of employees injured on the job who have temporary and/or permanent restrictions. This program will assist active employees in finding temporary assignments within their medical restrictions; it is not intended to provide services to temporary employees or sworn employees. Participation in the Return to Work Program is based on a medical release to return to work. Upon receipt of the medical release, the employer shall make every effort to provide appropriate work activity within three (3) working days of the receipt of the medical release.

If there is a question about the employee’s medical release, the City’s consulting physician shall make the final determination of an employee’s ability to return to work. If the employer is unable to offer appropriate work within the employee’s limitations, the employer shall provide for the employer’s portion of the health care benefit while the employee is in the Return to Work Program. Continuing eligibility in the Return to Work Program is based upon receipt of medical data documenting the employee’s functional improvement. In addition, compliance with the Workers’ Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.860, applicable rules and this Agreement is mandatory. Compliance will be monitored by the Claims Coordinators/a Return to Work Coordinator. Failure to comply with the requirements of this program may result in termination of their participation. Compliance with the program will be determined by the employer.

RETURN TO WORK PROCESS:

Eligibility: Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995.

RTW – Phase I

When an injured employee receives medical restrictions that prevent return to the preinjury job, the employee is placed in the Return to Work Program. Placement attempts for injured employees shall first be to the employee's existing job, if restrictions permit, then to modified duty assignments within the employee's originating unit, then to modified duty assignments within the employee's originating department. If no modified duty assignment is currently available in the employee's department, placement will take place through a citywide search. The employee will continue to receive their pre-injury salary and benefits for the first thirty (30) days after the medical release with restrictions. While so assigned, however, injured employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties in a different location, as determined by the Employer.

RTW – Phase II

If continued medical restrictions prevent the employee from returning to the preinjury position, the employee shall continue in the Return to Work Program until Maximum Medical Improvement (MMI) and/or permanent restrictions are reached. After the initial thirty (30) days of temporary assignment the employee will be detailed to a job classification that most accurately reflects the duties they will be performing. Wage losses attributable to assignment to a modified duty assignment or due to restrictions that reduce time at work will be paid at the temporary partial disability rate, in accordance with the Workers' Compensation Act.

If at any time during this Program the employee does not follow the work restrictions of the physician or refuses a light duty temporary assignment, they will be removed from the program.

RTW – Phase III

JOB BANK PROCESS:

The employer has created a Job Bank component to the Return to Work Program. The purpose of the Return to Work/Job Bank Program is to assist the injured worker in returning to a different job within the City if the employee is unable to perform the duties of the preinjury position as a result of a work injury arising out of and in the course of employment for the City. It is the employer's intention, to the extent feasible under the circumstances, to identify employment opportunities for employees through reassignment, retraining and out-placement support. One of the goals of the Return to Work/Job Bank is to minimize, to the extent possible, the disruption normally associated with work-related injuries and return to work in alternative assignments. Mutual cooperation and participation is necessary in order to accomplish this objective.

1. Eligibility: When the injured employee reaches Maximum Medical Improvement (MMI) and/or permanent restrictions and those restrictions prevent the employee from returning to the preinjury position, they shall be afforded the Job Bank Program if one so exists.
2. The services and benefits of the Job Bank will apply to employees injured on the job as long as the employee complies with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.860, applicable rules and this Agreement. Employee compliance will be

determined by the City. These services and benefits include:

- a) 120-day tenure
 - b) Job interviews/Placement opportunities
 - c) Skills assessment
 - d) Training opportunities
 - e) Job-seeking classes
 - f) Health insurance continuation, if separated from employment, as provided for in the Minneapolis Code of Ordinances, §20.900.
3. Employees will be offered a temporary light duty assignment consistent with their restrictions. If the employee declines the temporary light duty assignment they will have the option to use any accrued paid leave and will remain eligible for other Job Bank benefits. If the employee accepts the temporary light duty assignment they will receive the preinjury salary while in the Job Bank Program. Such salary will be paid by the Workers' Compensation fund.
 4. Any Family Medical Leave for which the employee is eligible will run concurrently with the employee's tenure in the Job Bank and with their use of accrued paid leave.
 5. The department that the employee came from has the primary responsibility for finding temporary assignments for the employee while in the Job Bank. The Return to Work Coordinator/Claims Coordinator and Qualified Rehabilitation Consultant will aid in determining alternate assignments if the original department is unable to identify temporary assignments.
 6. If the injured worker has not been placed in a permanent position after one hundred twenty (120) calendar days, they will be separated from City service.
 7. Failure to participate in a diligent job search or to comply with the requirements of the Workers' Compensation Law during participation in the Return to Work or Job Bank program may result in termination of Job Bank services and benefits.
 8. An employee has no further tenure in the Job Bank Program after a formal job offer has been made.

Filling Vacant Positions:

During the time the procedures outlined herein are in effect, position vacancies will be filled based on the employees' qualifications. During their assignment to the Job Bank, injured workers will be provided an opportunity to meet with a City Placement Coordinator to discuss such matters as available employment opportunities with the City, skills assessments, training and/or retraining opportunities, out placement assistance and related job transition subjects. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment training and job search activities.

- **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC grade level provided they meet the minimum qualifications for the position.
- **Seniority Upon Transfer.** In addition to earning job classification seniority in their new

title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated as long as the job requirements are consistent with the employee's permanent restrictions. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.

- **Pay Upon Transfer.** The employee's salary in the new position will be supplemented, if necessary, to comply with the Worker's Compensation Statutes. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
- **Probationary Periods.** Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed (either because the involved supervisor has concluded that the employee's performance in the new position is not satisfactory or because the employee is not satisfied with the position), the injured worker shall be returned to a Job Bank assignment for the remaining duration of the one hundred twenty (120) calendar day Job Bank period (or a minimum of thirty (30) calendar days, whichever is greater).
- **Reassignment.** In accordance with the provisions of the Agreement or other applicable authority the injured worker may be transferred to a new position and/or duty location within their job classification at a time determined to be appropriate by the City. Such transfers terminate the injured employee's assignment to the Job Bank.

SEPARATION AND RETIREMENT CONSIDERATIONS:

Where, upon the expiration of an injured employee's one hundred twenty (120) calendar-day assignment to the Job Bank, no available or suitable position has been found, the injured employee will be separated from City services.

If eligible, injured employees may elect retirement from active employment under the provisions of an applicable pension or retirement plan.

CITY OF MINNEAPOLIS
and
INTERNATIONAL BROTHERHOOD OF
ELECTRICAL WORKERS, LOCAL NO. 292
(Electrical Technicians Unit)

LETTER OF AGREEMENT **Arbitrator Panel Maintenance**

The above-entitled Parties are signatory to a Labor Agreement (the "Labor Agreement") currently in effect; and

This Memorandum of Agreement outlines additional agreements reached by the Parties during the course of the collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

RECITALS

- A. The City of Minneapolis (hereinafter "Employer") and the International Brotherhood of Electrical Workers, Electrical Technicians (hereinafter "Union") are Parties to a Collective Bargaining Agreement (hereinafter jointly ("the Parties" and "Labor Agreement", respectively) that is currently in effect.
- B. Section 4.08 of the Labor Agreement provides for the creation of a panel of arbitrators to be used for grievance arbitration.
- C. Confusion arose as to how the panel of arbitrators was to be modified and/or maintained.
- D. Section 4.08 of the Labor Agreement does not establish procedures for maintaining or modifying the panel of arbitrators.
- E. The Parties now desire to establish procedures to be used to maintain the panel of arbitrators.

NOW THEREFORE, the parties hereby agree as follows:

AGREEMENT

1. The panel will consist of no fewer than five (5) and no more than eight (8) arbitrators.
2. An Arbitrator will be removed from the panel upon the occurrence of any of the following events:
 - a. Written mutual agreement between the Parties.
 - b. The arbitrator is no longer on the BMS Panel.
 - c. The arbitrator has resigned, retired, died, become disabled or has been unavailable to hear cases for a period of longer than twelve (12) months.
 - d. The arbitrator no longer maintains a residence or office in the State of Minnesota; unless the parties mutually agree to retain the arbitrator.

3. If there is a vacancy on the panel the following procedures will be used to fill the vacancy:

a. First Step

- i. Each party will submit a list of five (5) arbitrators they propose to add to the panel to the President of the Minneapolis Board of Business Agents, or in their absence, the Chairperson of the Minneapolis Citywide Labor Management Committee.
- ii. Any arbitrator whose name is common to both lists will be eligible for selection.
- iii. If the number of common names exceeds the number of vacancies, the parties may:
- iv. Keep all the commonly identified arbitrators for the Panel
- v. Select via blind draw the name(s) to be selected to fill the vacancies.

b. Second Step. If there are no common names on the lists submitted, then the parties will:

- i. review the Bureau of Mediation Service’s Roster of Arbitrators;
- ii. eliminate all current Panel members;
- iii. eliminate each Roster member who does not maintain a residence or office in Minnesota, unless the Parties mutually agree to retain the “out-of-state” arbitrator;
- iv. independently strike the names of the number of Arbitrators that represents 25% of the pool of Roster members that remains after step iii, above;
- v. Establish a list of the arbitrators whose names remain on the list after the preceding steps;
- vi. After the President of the Board of Business Agents or the Chairperson of the Minneapolis Citywide Labor Management Committee has overseen a coin toss to determine which party will make the first strike from the remaining list, the parties will use the “Alternate Strike” method to reduce the remaining list of arbitrators until the needed number is reached.

c. An Arbitrator selected from this process will be added to the panel, subject to their acceptance of the assignment and agreement as to availability and the established fee structure.

4. Periodically, but not less than once every three (3) years, the Parties will review the list, re-verify each arbitrator’s availability and commitment, and set the fee structure.

5. This Agreement will be appended to the Labor Agreement and will renew automatically with each successor Labor Agreement unless terminated or amended by the written agreement of the Parties.
