

# Como Avenue SE Corridor Improvement Project

## Project overview

This project will:

- Create a two-way protected bikeway on Como Avenue SE. This will replace the current painted bicycle lanes on Como Avenue SE that do not provide enough protection from vehicle traffic.
- Improve pedestrian comfort and safety at intersections and add traffic calming. Under current conditions, vehicles regularly travel above the posted speed limit of 25 mph.
- Connect to bicycle paths on 18th Avenue SE and on 15th Avenue heading to the University of Minnesota campus. Como Ave SE is part of the All Ages and Abilities Bicycle Network.

## Project schedule

## Project goals

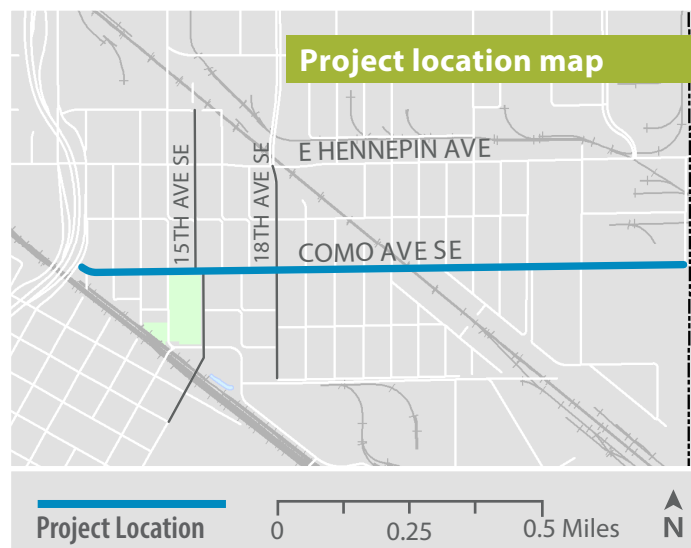

Create a low stress environment for all road users.

Upgrade bike facilities for all ages & abilities.

Improve safety and mobility for people walking, biking, and riding transit.

## Daily users

August 2025

	Near 18th Ave	Near 27th Ave
Pedestrian	451	237
Bike	410	264
Motor vehicle	10280	6255
Average speed	20 mph	31 mph
85th percentile speed	26 mph	36 mph

## Reported crashes

2020 - 2024

Travel mode	Reported crashes	Crashes with injuries
Pedestrian	3	67%
Bike	6	83%
Motor vehicle	27	26%
<b>Total</b>	<b>36</b>	<b>39%</b>

## Transportation Action Plan

This project is aligned with the Transportation Action Plan, the City's vision for safer, greener, and more modern streets that serve all people and all the ways they want to get around.

# Como Avenue SE Corridor Improvement Project

## Engagement overview

We use many channels to share information about existing and upcoming projects. We listen to your feedback and consider it carefully as part of decision-making. On this page, you will see a summary of how we do this. The full engagement plan is located on the project webpage.

## Engagement schedule

2026      2027      2028      2029

Consult   Inform

## Engagement goals

- Develop trust with the people of the community.
- Make it clear what outcomes and decisions the public can influence.
- Share how the project changes in response to input from the public.

Example of a low stress street

## How to get involved

Participate in  
online surveys.

Attend an  
open house.

Subscribe to our e-newsletter  
to learn about upcoming event  
dates and times.
