

Engagement summary

Como Ave SE corridor improvement project

Project introduction: issues and opportunities

Engagement occurred from January to May 2026. The project team introduced the project to the public. Community members shared thoughts on how the street could better meet the needs of all users.

By the numbers: events and participants

-  Two newsletter bulletins sent out to **288 subscribers**
-  **90 responses** to an online survey
-  Over **45 attendees** at an open house on April 15
 - Featuring Metro Transit staff to discuss the Metro H Line project
-  **20 businesses** visited during door-knocking
-  **Two neighborhood organization meetings**
 - East Bank Neighborhoods Partnership
-  Project introduction to **two advisory committees**
 - Pedestrian Advisory Committee
 - Bicycle Advisory Committee
-  **Seven phone calls, emails, or letters** from residents or businesses

What we learned

We reviewed the feedback from the open house and survey responses. Community members want:

-  Improved bicycle facilities
-  Pedestrian safety improvements
-  Safer crossings at intersections and near key destinations
-  Slower speeds and traffic calming
-  Improved pavement condition
-  Parking management

Community members and project staff during the open house

Next steps

Feedback will be used to develop design options. We will share these options with the community for feedback in the next phase of engagement.

Transportation Action Plan

This project is aligned with the Transportation Action Plan, the city's vision for safer, greener and more modern streets that serve all people and all the ways they want to get around.
