

Hennepin Ave S & Lake St Connectivity Improvements

Project location map

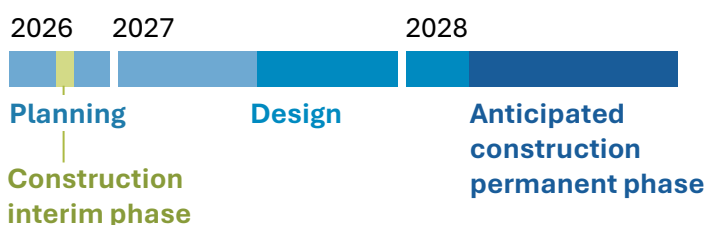

Project overview

- The project is on Hennepin Ave S between Lake St and 31st St, and on Lake St between Humboldt Ave and Hennepin Ave.
- Work will be implemented in two phases. An interim phase will be installed in fall 2026. A permanent phase is planned for construction in 2028.
- This project will fill a gap in the All Ages and Abilities Bicycle Network on Lake St. It will also provide improvements on Hennepin Ave.

What we know

- The bike lanes on Hennepin Ave do not align with the City's Street Design Guide.
- Lake St, between Humboldt Ave and Hennepin Ave, is a designated near-term low-stress bikeway on the All Ages and Abilities Bicycle Network.
- Businesses on Hennepin Ave lack curb space for loading, unloading, short-term parking.

Project schedule

Project goals

- Maintain safe space for walking and rolling
- Incorporate curbside uses
- Complete All Ages and Abilities Bikeway Network missing link

Transportation Action Plan

This project is aligned with the Transportation Action Plan, the City's vision for safer, greener, and more modern streets that serve all people and all the ways they want to get around.
