

Emergency Regulation

Issued pursuant to MCO Section 128.60

I, Jacob Frey, Mayor of the City of Minneapolis, subject to the authority granted to me pursuant to Minnesota Statutes, Ch. 12.29, and Minneapolis Code of Ordinances (MCO), Sections 128.50 and 128.60 do hereby proclaim the following Emergency Regulation:

**PROCLAMATION OF THE MAYOR
Emergency Regulation No. 2021-3**

Whereas, on March 16, 2020, I declared a local public health emergency related to the COVID-19 pandemic in the City of Minneapolis and assumed executive responsibilities attendant thereto; and

Whereas, on May 21, 2020, I promulgated Emergency Regulation 2020-12, which required the wearing of masks or cloth face coverings when in indoor spaces of public accommodation within the City of Minneapolis; and

Whereas, on July 22, 2020, Governor Walz imposed a similar requirement for the state of Minnesota, which was rescinded with certain limited exceptions on May 14, 2021; and

Whereas, in light of federal CDC guidance on face coverings, the state’s corresponding rescission of its mask mandate, progress on vaccine administration, and encouraging trends in Minneapolis’ key public health risk metrics, this Emergency Regulation addresses the continuing applicability of Minneapolis’ local face covering requirement

NOW, THEREFORE, I, Jacob Frey, Mayor of the City of Minneapolis, do hereby order the following with respect to Emergency Regulation 2020-12:

1. Emergency Regulation No. 2020-12 is hereby rescinded and of no continuing applicability or effect.
2. Any residual and applicable executive orders and associated guidance issued by the State of Minnesota and/or CDC relative to the wearing of face coverings continue to have full force and effect within the City of Minneapolis.

This Order is effective upon issuance.
