

2026 collection of leaves and bundled brush ends the week of **Nov. 30**

Your collection day the week of **Nov. 30-Dec. 4** will be your last pickup of leaves, brush and other yard trimmings. There will be no additional yard waste service after your last scheduled pickup day.

How to set out yard waste

- **Compostable bags** (paper lawn and leaf bags or BPI certified compostable plastic bags)
- **Reusable container** (32-38 gallons in size, with sturdy handles and no wheels)

Set all yard waste next to your carts by 6 a.m. on your pickup day. Yard waste is not allowed in City-provided containers.

Size and weight requirements

- Max weight of 40 lbs. for bags, reusable containers or bundled brush.
- Brush must be shorter than 3 feet long and less than 3 inches in diameter.
- Brush must be in a container or bundled with string or twine (no tape).

Fall street sweeping

mid-October to mid-November

Cars must be moved so crews can clear debris and leaves from the streets. Signs will be posted at least 24 hours before towing begins. Signs will specify the day of the week that parking is banned and read “No Parking 7 a.m. to 4:30 p.m.”

Don't get towed

Watch for
“no parking” signs
each day or if you
can't, arrange with a
friend for help.

Find out when your street is scheduled for sweeping: starting in mid-October, check the schedule at minneapolismn.gov/streetsweeping.

If you have questions about street sweeping, call 311.

Remember, it's against the law and bad for our lakes to rake leaves into the street.
