

SOUTH-FOLWELL

Safe Routes to School Project

Project Overview

The South-Folwell Safe Routes to School project will add street improvements to 21st Ave S in the Corcoran and Standish neighborhoods. This route includes South High School, Folwell Community School, MPS Adult Education South Campus and several neighborhood parks. The focus will be on improving safe access to these destinations for people of all ages and abilities. The project will consider various traffic calming measures to achieve this goal.

Project Goals

- Make it easier to walk, bike, roll and take the bus to schools
- Create a calmer neighborhood street for users of all ages and abilities
- Improve access to other neighborhood destinations
- Address traffic safety needs at high injury street intersections

Route Characteristics

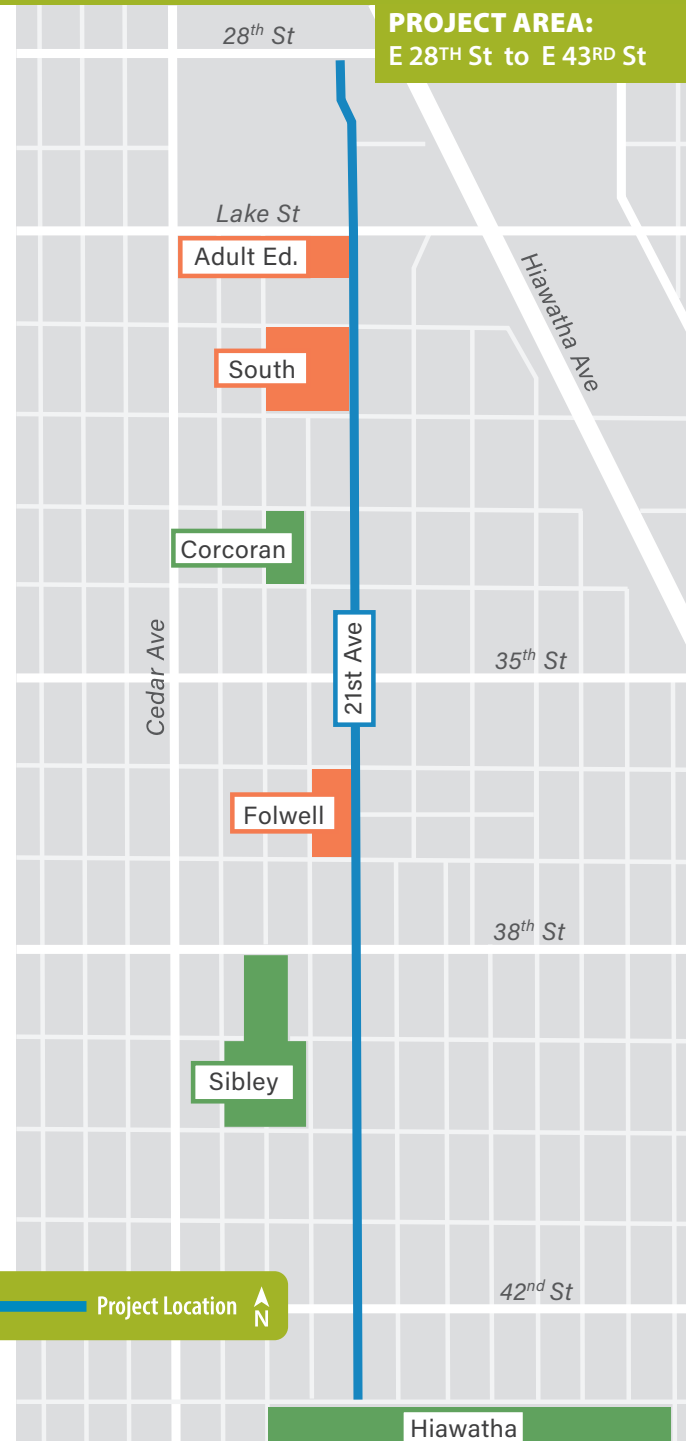

- Connects to three schools, three parks and two rec centers
- Intersects with five high injury streets: 28th St, Lake St, 35th St, 38th St, and 42nd St
- Connects to the Midtown Greenway bike path at 28th St and the future B Line bus rapid transit route at Lake St
- Designated as a near-term low stress bikeway on the All Ages and Abilities bicycle network map
