1. Contract with Grant Thornton Advisors, LLC for the Minneapolis Police Department (MPD) Internal Affairs [\(2026-01025\)](#)

Authorizing a contract with Grant Thornton Advisors, LLC, in the amount not to exceed \$2,030,000, for a two (2) year term, October 1, 2026, through September 30, 2028, with the option to extend the contract for one (1) additional year, to provide assistance in completing supervisory reviews and investigative support as needed for the Minneapolis Police Department Internal Affairs Division.

Context: MPD's Internal Affairs department has a large bottleneck of police misconduct cases stalled at the "supervisory review" phase due to a severe shortage of civilian supervisory staff. Under the Settlement Agreement, these reviews must be completed within a tight timeframe, which MPD currently cannot meet. The failure to complete this supervisory review stage is a big reason why the City continually fails to complete officer misconduct investigations within 180 days, leading to hundreds of non-compliant cases that have blown past the legal deadlines set out by MDHR and the Consent Decree.

The City is holding out this proposed two year, \$2.03 million contract with Grant Thornton Advisors as part of the solution. The firm would take over the supervisory reviews, starting with the historical backlog, and conduct additional investigations where necessary, helping the city to clear the bottleneck and achieve compliance.
