NOTIFICATION AND CONSENT FORM FOR DRUG AND ALCOHOL TESTING
(REASONABLE SUSPICION)
AND DATA PRACTICES ADVISORY**

I acknowledge that I have seen and read the City of Minneapolis *Drug and Alcohol Testing Policy* or the Letter of Agreement. I hereby consent to undergo drug and/or alcohol testing pursuant to said policy or the Letter of Agreement, and I authorize the City of Minneapolis through its agents and employees to collect a sample from me for those purposes.

I understand that the procedure employed in this process will ensure the integrity of the sample and is designed to comply with medicolegal requirements.

I understand that the results of this drug and alcohol testing may be discussed with and/or made available to my employer, the City of Minneapolis. I further understand that the results of this testing may affect my employment status as described in the policy or the Letter of Agreement.

The purpose of collecting a sample is to test that sample for the presence of drugs and alcohol. A sample provided for drug and alcohol testing will not be tested for any other purpose. The name, initials and employee identification number of the person providing the sample may be requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result will be requested by the Medical Review Officer (MRO) to ensure that the test is reliable and to determine whether there is a legitimate medical reason for any drug, alcohol, or their metabolites in the sample.

The MRO may only disclose to the City of Minneapolis test result data regarding presence or absence of drugs, alcohol, or their metabolites, in a sample tested. The City of Minneapolis or laboratory may not disclose the test result reports and other information acquired in the drug testing process to another employer or to a third party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order. Evidence of a positive test result on a confirmatory test may be: (1) used in an arbitration proceeding pursuant to a collective bargaining agreement, an administrative hearing under Minnesota Statutes, Chapter 43A or other applicable state or local law, or a judicial proceeding, provided that information is relevant to the hearing or proceeding; (2) disclosed to any federal agency or other unit of the United States government as required under federal law, regulation, or order, or in accordance with compliance requirements of a federal government contract; and (3) disclosed as required by law, court order, or subpoena. Positive test results may not be used as evidence in a criminal action against the employee tested.
