CALLER: Yeah, we got shots fired. Shots still being fired -

OPERATOR: What is the address?

CALLER: Uh, it's Shoreline Plaza. It's right across from.. right across from um, Marquette Place.

OPERATOR: How many shots have you heard and do you have eyes on the person firing them?

CALLER: No, he's inside. Uh, there's one girl shot outside. I've heard at least 15.

OPERATOR: And this is uh-

CALLER: He just shot 3 more while we're on the phone.

OPERATOR: Where do you see a victim?

CALLER: He's inside. The girl's outside the entrance of this apartment building.

OPERATOR: And this is the Loring Towers?

CALLER: It's Shoreline Towers, yeah Shoreline Plaza? I can't read it from here.

OPERATOR: And you said that she was shot?

CALLER: Yeah, there's a girl shot. She's got a little girl with her. Uh, I've heard more shots coming from inside. So, I'm sure there's more people shot in there.

OPERATOR: And Shoreline Plaza, is that the intersection of 1st and Grant?

CALLER: Yes.

OPERATOR: Okay, and the person that fired shots at her you said is inside of the plaza?

CALLER: Yeah, I'm guessing – I'm guessing it's inside. Cause I haven't seen anyone outside or out here, I've heard them from across the street.

OPERATOR: Did you see any person that may have been firing shots?

CALLER: No, I was inside across the street and then I heard a bunch of shots and a woman screaming so I went outside and then I can see the woman laying on the ground bleeding out. Umm... but I, I haven't seen uh, I haven't seen anyone shooting.

OPERATOR: And if you had to estimate how many shots you've heard in total, what would you say?

CALLER: Uhh, 15.

OPERATOR: So, you only –

CALLER: Uh, there are – I've only seen the one person. She's got a little girl with her. There is a officer on site right now.

OPERATOR: Does the little appear to be hurt at all?

CALLER: Say that again?

OPERATOR: Does the little girl appear to be hurt at all?

CALLER: No, the girl – the little girl's standing.

OPERATOR: Okay.
